The information requested in this form is required for enrolment purposes. This information is collected to plan for and support the educational needs of your child.

This form should be completed by parents or carers who are responsible for enrolling their child. It is the responsibility of the person completing this form to consult with all other adults that need to be involved in the enrolment process. Parents or carers can co-sign the same form or complete separate forms if personal details are unable to be shared between them.

If required information is not provided or there is a dispute between parents or carers about a child's enrolment, the enrolling principal is required to consider the student's education and wellbeing when deciding whether to defer or accept the enrolment.

It will also be pointed out that head lice can be itchy and annoying and if you know you have got them, you can do something about it.

The person conducting the inspections will check through your child's hair to see if any lice or eggs are present.

Persons authorised by the campus principal may also visually check your child's hair for the presence of head lice, when it is suspected that head lice may be present. They do not physically touch the child's head during a visual check.

In cases where head lice are found, the person inspecting the student will inform the campus principal. The school will make appropriate contact with the parents/guardians/carers.

Please note that health regulations requires that where a child has head lice, that child should not return to school until appropriate treatment has commenced. The school may request the completion of an 'action taken form', which requires parents/guardians/carers to nominate if and when the treatment has started.

VCAA PRIVACY NOTICE FOR STUDENTS

The Victorian Curriculum and Assessment Authority (VCAA) is a statutory authority established under the Victorian Curriculum and Assessment Act 2000. The VCAA has responsibilities relating to both curriculum and assessment across year levels Prep to 12 for all Victorian school students. The VCAA is committed to protecting student information and all personal information collected is handled in accordance with the *Information Privacy Act 2000*.

Collection of Student Data

In order to perform its functions the VCAA collects the personal details of all students undertaking one or more VCE units of study, including performance data related to the VCE assessment program. It also collects personal details for all IB students who are to sit the General Achievement Test (GAT). All information is collected directly from students by the school.

Where additional information is required, such as in the case of applications for Special Provision, this is also collected from individual students.

The information on Aboriginal and Torres Strait Islander origins is used by the VCAA to report to the Commonwealth and State Governments to assist in the planning of support for students who fall within these categories. No individual students are identified in such reports.

All student data is submitted to the VCAA via the VCE Administrative Software System (VASS).

Use of Student Data

The student data collected by the VCAA, including personal details, unit results, graded assessments, VET certificate results and data on Consideration of Disadvantage, together with study scores and GAT scores, is used by the VCAA to provide individual students' final VCE and GAT results. The assessment data which is provided to the student directly is also provided to his/her home school and, if it is not the home school, to the school where the study was undertaken.

The purpose of disclosing the student VCE and GAT assessment data to the schools is to enable schools to analyse the effectiveness of their school assessment programs. In this way the VCAA ensures quality assurance of the VCE assessment program across the State of Victoria.

Personal details of all VCE and IB students are forwarded to the Victorian Tertiary Admissions Centre (VTAC) for inclusion in CourseLink, a password-protected interactive, web-based program, which enables individual students to access career and course options tailored to take into account their place of a residence, interest, existing studies and future plans.

The VCAA also forwards individual students' personal information, VCE and GAT results, and, if applicable, data for Consideration of Disadvantage, to VTAC for the calculation of the Australian Tertiary Admission Rank (ATAR) and, if necessary, for the submission of student applications for tertiary course selection.

Disclosure

The VCAA will not provide identifiable student data to any other person or organisation without the consent of the individual students, unless required by law or other regulation to do so.

Notification, Access and Security

Students will be notified of what information has been collected from them and the level of disclosure to which they have consented via a "Student Full Details Report" which will be available from the school following lodgement of Personal Details Forms at the time of enrolment.

Student information collected by the VCAA is stored on its VCE database and access is limited to authorised staff at the VCAA and at the school.

Data collected from students and the results awarded to them are retained permanently by the VCAA. These records are held in the VCE database and backed up on microfiche. All records are held securely.

Correspondence concerning access to student records held at the VCAA including individual assessment and contact details should be addressed to the Manager, Student Records and Results, VCAA, 41 St. Andrew Place, East Melbourne, 3002.

The privacy statement is available on www.vcaa.vic.edu.au
