### KEY DATES

- 29 Nov CELEBRATION DAY  
YEAR 10 FORMAL
- 30 Nov REPORT WRITING DAY - STUDENT FREE DAY
- 3-12 Dec HEADSTART

## Message from our Acting Campus Principal - Cleo Lazaris

### End of Year arrangements

The 2018 academic year is quickly coming to an end. Common Assessment Tasks will be completed during weeks 7 and 8 and our Headstart program will begin on Monday 3rd December through to Wednesday 12th December. All students across the college will move into their 2019 classes, and commence work. Students are expected to attend Headstart as each class will be provided with meaningful work and assessments towards their 2019 results. During this time we will also be collecting data on students' literacy and numeracy levels which will assist teachers to organise their teaching groups within a class.

On Thursday 29th November all year levels will participate in a Celebration Day. Permission forms will need to be returned on time for your child to participate otherwise they will need to remain at school for the day. The Year 10 Celebration will be the formal to be held in the evening.

Report Writing Day is on Friday 30th November – students are not required to attend on this day.

Our Campus Awards Ceremony will be held on Monday 10th December at 1.30 pm and our College Awards Ceremony will be held on Wednesday 19th December. More information will be provided in the coming weeks.

On December 13th and 14th there will be a number of activities organised for students. Permission forms and information will be provided later.

### Theatre Performances

This week our Year 7 and 9 theatre classes performed their plays for families and friends. On Tuesday our Year 9 group performed 'Blackrock' written by Nick Enright. Blackrock is an Australian play which explores the challenging and confronting themes of what it means to be a man, how women are viewed in society and youth culture. The cast and crew delivered a riveting performance and should be proud of their hard work and effort. The audience spoke highly of the play and were impressed with the acting, lighting and sets.

Our Year 7 students wrote their own plays and by coincidence had all chosen the theme of 'bullies'. The cast was able to provide an authentic performance based on scenarios on which they were able to relate. Once again, the audience praised the confidence and ability of our students.

Congratulations to Kline and the students on such a positive end to their hard work and effort over the semester.

### Halogen

Student leaders from Churchill Campus attended Halogen ( a Young Leaders' Day) in Melbourne, to develop their leadership skills. They were very fortunate to hear from a diverse range of inspiring journeys to success and loved the photo opportunities afterwards! The main message of the day was that successful people learnt from their mistakes and that roads to success were never simple or straight forward. The presenters included Olympian Liesel Jones, magician Cosentino and actor Uli Latukefu (Jonah from Tonga). The students all came away from the experience feeling excited and ready to further their leadership skills back at Kurnai.

Thank you to Rebecca Lynch for supporting our students at this event.

### Homework Club

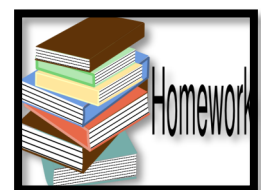

We've had a great turn out for our Homework Club on Wednesday nights. Students can get extra help with classwork, in a relaxing environment.

## Year 7 News .....

Term 4 continues to progress at lightning speed as we approach the final few weeks of Year 7. During the next few weeks, students will be making their final touches to projects and completing their work in each of their subjects before beginning their transition into Year 8 for Headstart. As a celebration of their achievements, students and staff will partake in the Campus Celebration Day which involves each year level participating in a day of planned activities as organised by their year level teachers. This day will occur on Thursday 29th November and we are all very much looking forward to celebrating what has been an extremely enjoyable year.

### Learning Behaviour Reports

With the final Learning Behaviour Reports being completed for 2018, we would like to congratulate the following students on achieving a GPA score of 3.8 or higher. These students celebrated last week with a hot chip lunch and deserve to feel very proud of their efforts:

Katelin Mansfield	Hayden Dent
William Bonnici	Bethany Daddo
Alexandra Gore	Jazmine Sanders

### LEAP Presentation

Last week Kurnai students were presented with a play from a program called Learn, Experience, Access Professions (LEAP).

The following is an account of the presentation as written by Gemma Whykes and Maegan Ruffin:

*On the 9th November 2018, the Year 7's gathered into the drama room for a play based on future careers. It was presented by a group representing the website named LEAP Higher Education. The LEAP program aims to demystify the links between school, higher education and professions. Whilst some presentations tend to be boring, making the presentation into a play made it more interesting to learn about higher education. Singing and dancing were involved to make the play eye catching, as well as dressing up like school kids aiming the play to a Year 7 audience made it an enjoyable experience. Being Year 7's, we learnt that our professions don't have to be plain and boring, we can choose courses that interest us and that we are confident about.*

## Year 8 News .....

Since the last newsletter the Learning Behaviour Reports for October have been published. These reports show how your child has been working in their classes over the last five weeks. These reports give parents and guardians the opportunity to have the conversation with their child about how they are working in class time. These reports do not comment on a student's academic ability, but instead the skills that are also transferrable to the work place.

Congratulations to Claire Irving and Lance Townsend who achieved a perfect score for the October Learning Behaviour Reports:

Year 8 Team Leader

### All-Star Award

Congratulations to the following students who achieved 3.5 or higher in their October Learning Behaviour report. The All-Star Award is to acknowledge the effort and diligence that the students are showing in their classes.

### October Learning Behaviour Report Celebration Lunch

The following Year 8 students, who achieved 3.8 or higher for the October Learning Behaviour Reports had their celebration lunch of hot chips and soft drink, on Thursday 7th October. The celebration lunch is an event which all students and staff look forward to as it provides another way of recognising the positive endeavours that individual students are undertaking to assist them with achieving great results.

### Inspiring Young People Lunch

On Wednesday 14th November, 32 Year 8 students were invited to attend a lunch event at the Morwell R.S.L which provided the opportunity for the students to link with a number of people from a variety of occupations. The lunch event gave the students the opportunity to learn more about careers and educational pathways. Inspiring Young People was a great opportunity for the Year 8 students to view positive role models in the community and to encourage them to start thinking about their own career and pathway. Throughout the event students gained some insight and information about specific careers and general information about career journeys.

## Year 8 News continued.....

### Mobile Phones

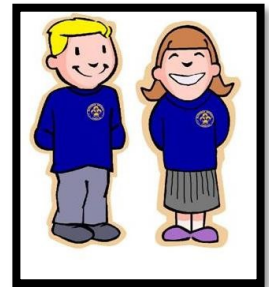

Mobile phones are still an issue with some students not placing their phones in the phone holders which are located in all classrooms. Students are aware that if they bring their phone into the classroom and do not place it in the phone holder the phone will be taken by the teacher and returned at the end of the school day. The concern is that some students are arguing with teachers about when a phone should be returned. Parents and guardians could also assist us with the phone process by reminding their child of these rules as well as refraining from texting or calling students during class time. A reminder that a phone is not to be used instead of a laptop or calculator.

**Lindy Gumpold**  
Year 8 Team Leader  
gumpold.galinde.g@edumail.vic.gov.au

### Uniform Expectations

A small number of students are continuing to try and avoid wearing the school uniform. If students arrive at school, out of uniform, without a note, they will be required to change into school supplied uniform for the day. If your child is out of uniform, please provide a signed note, which explains why your child is not wearing uniform on a particular day. When students are at school or participating in school activities that take them out of the school grounds they are expected to be in full uniform. This does not include non-school uniform jackets, beanies, hoodies or tracksuit pants, however they can wear long sleeve navy or white tops (without hoods) underneath their polo tops. Students are also reminded that they are required to wear shoes that are predominately black. If you require any assistance with school uniform. Please don't hesitate to contact the school and speak to either a member of the Year 8 Team or the Wellbeing Team members.

### Student Laptops

As the term progresses a small number of students are not bringing their laptops to school. Unfortunately when the students who do own a laptop do not bring their own device to school they are required to borrow one from the library. Unfortunately, at times, there will not be a suitable laptop to borrow which can mean that a student may not be able to continue with class work. Staff in the Year 8 team will continue to support those students who may be experiencing difficulties with their own device. If parents and guardians could support the school by checking that their child is taking their laptop to school that would assist with trying to develop good organisational habits.

### Celebration Day

Permission forms for the Year 8 Celebration Day were distributed late last week to all Year 8 students. Celebration Day is a time when the Year 8 students are able to enjoy a visit to the cinemas where they will be able to see a movie of their choice. All Year 8 students will be invited to return their permission forms, however, attendance at this event will be subject to students behaviours throughout the remainder of Term 4. On Thursday 29th November the Year 8 students will have the opportunity to watch a private screening of the movie 'Ralph breaks the Internet' before its general release to the public. They will then walk to Gippsland Immigration Park for a BBQ lunch before returning to school at 2pm for an early dismissal.

## Year 8 News continued.....

### PBS Coupons

Year 8 students are continuing to receive PBS coupons for displaying the appropriate PBS behaviours expected for Kurnai students from the Four Pillars – Relationships, Engagement, Excellence, or Work Ethic. Students are encouraged to exchange their PBS coupons, in a timely manner, for a prize from the display cupboard, which is in the Wellbeing Office. Each week, during Team Time, students are given the opportunity to 'cash' in their coupons. Students are also able to 'cash' in their coupon points during recess, lunch and after school. The most popular item from the cupboard is, still, chocolate.

At the end of week 6 the following are the top 5 students for Year 8.

- Nelly Love
- Lance Townsend
- Tom Hoghton
- Tamsyn Walker
- Ethan Sultana

A reminder to all Year 8 students that when they receive a ticket that they need to write their name on the ticket and then place it into the PBS box, which is located in the Library.

### Lockers

As the end of Year 8 approaches students need to start to think about cleaning out their lockers. All lockers in the Year 8 locker bay will need to be emptied by Wednesday 28th November as this is the last teaching day for the Year 8 students. All students will be asked to:

- Empty their lockers
- Make sure that they return all books to the library
- Place rubbish in the green bins outside the locker bay
- Wipe out their locker out inside and outside

## Year 9 News .....

We are continuing to focus on three important things this term:

### Uniform

Students are expected to be in appropriate uniform every day. Black pants and non-college hoodies should not be worn to school. Students wearing inappropriate uniform will be asked to change.

### Mobile Phones

Classrooms have mobile phone holders that students are expected to use to ensure that they are free from temptation and distraction.

### BYOD

Students are required to bring their device to school charged and ready to use.

## Year 9 News continued.....

### Outdoor Education - Surf Camp: Bethany Blakeley

On Wednesday 7th November, 10 students from the Year 9 Outdoor Education class attended surf camp at Wilson's Prom for 3 days. We had 3 lessons with our instructors Darby, Bones and Kelly. Most of us had done surf camp the previous semester so we got to do things we didn't last time like learning how to turn.

The weather was very confusing and would go from hail to sunshine in a matter of seconds. We didn't go hungry as our snack group went above and beyond and the other groups did okay.

Camping was great but there was lots of wombats. Overall good experience and would do it again.

### Team Time – Mock Interviews

Last week in Team Time students took part in Mock interviews to put into practice some of the things that they had been learning about in this subject.

We were very grateful to the Interviewers who gave up their afternoon to be involved. The interviewers were members of the wider school community and staff from the University and Churchill campuses.

Students were interviewed in pairs or groups of 3 and were assessed on a number of aspects throughout the experience.

### Theatre Studies

The Year 9 Theatre Studies class put on a fantastic performance of BLACK ROCK, by Nick Enright this week.

We congratulate the students on the culmination of their efforts throughout the semester by bringing the story to life. Thank you also to the parents and students that came to watch.

### Education Pathways

The Year 9 students that are to commence a VCE subject in Year 10 2019 attended the Kurnai College University Campus on Wednesday 14th November for a transition session.

Students listened to a VCE overview, heard from a panel of current year 11s who discussed their experiences and participated in a tour of the campus.

### Common Assessment Tasks: CAT's

Students will be busy over the next couple of weeks completing CAT's for many of their classes. It is important that they are coming to school during this time so that they have an opportunity to demonstrate the skills and knowledge that they have been learning.

## Year 10 News .....

# ONLY 2 WEEKS LEFT AT the JUNIOR CAMPUS

A reminder that Thursday 29th November is officially the last day for our Year 10 students at the Churchill campus. This day also marks the Year 10 Formal (more details below). Before this final celebration, students will sit exams for their VCE subject, English and Maths during week 8 (timetable included in the newsletter).

### What's coming up in Term 4

Wk7 Nov 19-23	<b>CAT/ASSESSMENT WEEK</b>
Wk8 Nov 26-30	<b>EXAM WEEK</b> YEAR 10 FORMAL
Wk9 Dec 3 - 7	<b>HEADSTART (Year 10s @ Uni Campus)</b>
Wk10 Dec 10 - 14	<b>HEADSTART (Year 10s @ Uni Campus)</b>
Wk11 Dec 17-21	<b>Wednesday 19<sup>th</sup> College Awards</b>

**Exam Week** is Week 8 when all Year 10 students will complete their VCE, English and Maths exams. A timetable is included in this newsletter as well as additional information regarding the expectations for this week.

### Year 10 Formal

Permission forms and invitations for the formal were distributed to students during Team Time this week. Students who are yet to receive their form/invitation must collect them from the Year 10 office.

The celebration is an official school event and therefore signed permission notes from parents are required. Students will not be able to attend unless the permission form is returned by the due date( 21st November).

Theme: The Great Gatsby (black, white and gold). Semi-formal attire.

Location: Quality Inn and Suites, Traralgon

Cost: approximately \$32.

Time: 630pm to 10pm (NO PASSOUTS and NO ALCOHOL)

Dinner and dessert will be provided along with soft drink. The Year 10 team and support staff will be supervising the event.

As part of the celebration, there will be the Awards Ceremony. The awards (subject based awards) will be presented to students as the main meal is being served with the unofficial Year 10 Awards will be presented during dessert.

At the end of the event, each student must be signed out by their parent or carer (as per student enrolment form) and **NOT** another students parent/carer/sibling **UNLESS** a signed note outlining your permission for another person to collect your child from the event is provided on the night. A text message on the night will not be accepted.

I will provide students with a permission form during exam week which you can use if alternate arrangements are made for the collection of your child from the formal.

**Attention ALL 2019 Year 11 and 12 students**

Would you like to attend the Mt Hotham Camp in 2019?

Mt Hotham is a well-known ski resort approximately 4-5 hours drive from Churchill via Omeo. The main activities undertaken on the camp will be downhill skiing and/or snowboarding.

The camp will run from Sunday 7<sup>th</sup> July to Friday 12<sup>th</sup> July, 2019. Students must be at the University Campus bus stop at 10.00am on the Sunday. We intend to return to Kurnai College (University Campus) at approximately 9.00pm on the Friday. Students will be staying at a Ski Lodge located at the top of the mountain. The total cost of the camp will be **approximately \$1650.00** which includes:

- Resort entries
- Accommodation
- All meals
- Lift
- Lessons
- Night skiing on Wednesday evening
- Ski/Snowboard Hire including carve skis, boots and poles or board and boots
- Transport to and from Mount Hotham
- Hotham hoodie jumper

Students will need to pay a deposit of \$300 if they would like to secure a position for the camp by 1/12/2018. We have organised a payment plan in an effort to give families the opportunity to finalise the full payment by 2.00pm on Friday 21<sup>st</sup> June, 2019. While we understand this is an expensive camp we strongly believe that this is the most economical way of giving students the opportunity to participate in Alpine Snow sports. All students who participate in this camp will come home exhausted and thoroughly satisfied with their experiences, bubbling with stories of the thrills and spills they encountered.

In order for this camp to proceed, we require a minimum of 20 students to attend and will cap the attendance at 25 students. In the event of us not receiving enough interest, we will have to cancel this camp and, in this instance only, your deposit will be refunded.

Students are expected to have a good behaviour history and an average or above average fitness level. Parents will be notified if their child is in danger of losing their invitation to camp due to poor behaviour at school. These decisions will be made by the Principal, in consultation with the advocate team and Camp Coordinator.

Additional information will be provided to your child as time gets closer to ensure your child is properly equipped for the camp. Their safety and comfort will depend on this. If students don't have the required equipment they may be able to borrow a snow jacket and pants or alternatively this clothing can be hired from Mt Hotham.

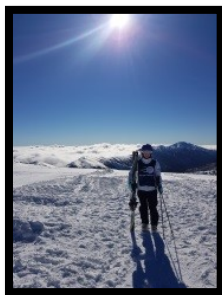

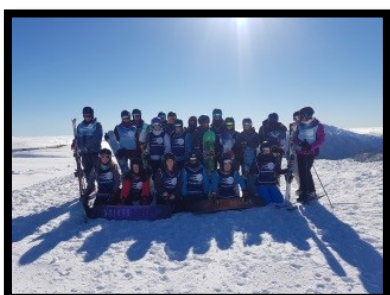

Ambulance membership is highly recommended as a trip in an ambulance from Mt Hotham can cost thousands of dollars if you are a non-member. We also recommend travel insurance for an additional cost.

If you have any further queries, please contact Mrs Candy White, the Camp Coordinator at the University Campus on 5132 3800.

The link below provides a video of students attending a camp to Mt Hotham. Please visit the below link to gain more understanding of what adventures you will get up to if you decide to attend the Mt Hotham camp in 2019.

## SCHOOL NURSE UPDATE

School dental came to the Morwell and Churchill junior campuses recently to provide dental treatment for students at Kurnai College. The students reported that the service was painless and friendly. It was great that so many families took up the opportunity to utilise this service and we plan to go ahead with it again next year if you missed out.

For further information, please contact Sarah the School Nurse.

I work Monday, Tuesday and Wednesdays across all the campuses of Kurnai. Students or families can organise to see me by talking to the teachers or the welfare team or email [pearse-clark.sarah.l@edumail.vic.gov.au](mailto:pearse-clark.sarah.l@edumail.vic.gov.au)

Does your child have a current Asthma Action Plan or Anaphylaxis Management Plan?

### Annual Update Anaphylaxis and Asthma Management Plans

Whilst your child is attending school and suffers from these medical conditions, it is your responsibility each year to supply the school with updated medical information from your family doctor. This information is retained by the school so that should a medical issue arise the correct medical treatment is administered.

Please contact your family doctor to arrange an updated Management Plan as soon as possible. Once you have the plan please ensure that the school is given this information as soon as possible.

## Totem Poles

On Tuesday 13th November, members of Kurnai College gathered to celebrate the unveiling of a series of Totem Poles created by local primary and high schools in Morwell and Churchill. The totem poles told the Gunai Kurnai story of the Southern Cross and Nerran the Moon by Lynette Solomon-Dent. Indigenous and Art students from all three of Kurnai College Campuses shared and celebrated their totem poles which together, create one of the Gunai Kurnai creation stories.

Thank you to The Smith Family for inviting Kurnai College to participate in this exciting display. The Totem Poles can be seen around Lake Hyland, in Mathison Park, Churchill.

## Tuning in to Kids/Teens Emotionally Coaching Parenting

An eight-session parenting program for parents with children in the following age groups:

- Tuning In To Kids: 3 - 10 years
- Tuning In To Teens: 10 - 17 years

Would you like to learn how to:

- be better at talking with your child?
- be better at understanding your child?
- help your child learn to manage their emotions?
- help to prevent behaviour problems in your child?
- teach your child to deal with conflict?

Tuning in to Kids/Teens shows you how to help your child develop **emotional intelligence**. Children with higher emotional intelligence:

- have greater success with making and keeping friends
- have better concentration at school
- are more able to calm down when upset or angry
- tend to have fewer childhood illnesses

Emotional intelligence may be a better predictor of academic and career success than IQ!
