Message from our Campus Principal - Cleo Lazaris

WORK EXPERIENCE

This week our Year 10's began their two week work experience placement. The lead up to work experience has been hectic with students building their skills in making phone calls to prospective employers, completing safe at work certificates and ensuring they have everything in place to embark on the world of work in a full time capacity. I wish all our students all the best and look forward to hearing about their experiences when they return.

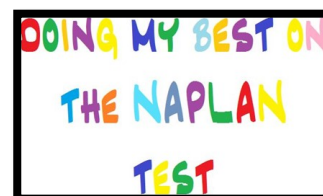

It is an appropriate time for me to extend my gratitude to Jenny Horner and the Year 10 team for all they have done to ensure students have completed all the necessary steps in the lead up to work experience.

HOMEWORK CLUB

A reminder that our Homework Club operates on a Wednesday night from 3.00 – 4.15 in the library. We have a number of staff available to assist students with their work. Homework club provides a relaxed, adult environment for students to complete any work or to study for classes.

NAPLAN

It was great to see our Year 7's and 9's "Doing their best on the NAPLAN test". Students were engaged with each test and talked about how they applied many of the skills they have been learning over the years at school. Congratulations to all students for putting in the effort and approaching the tests with positivity.

College Principal

Anthony Rodaughan

Message from our Principal continues...

LEARNING BEHAVIOUR UPDATES

These will be published later this week and are the final formal report prior to the semester reports being written. Students not displaying the expected learning behaviours; completing work on time, working and getting along with the others and being prepared for class will receive a letter outlining steps that can be taken to improve. The Learning Behaviour Updates measure a student's attitude and readiness to learn, and as such it is possible for all students to receive fantastic results!

Cuppa and Chat with Cleo

The next catch up will be Tuesday 11th June, 2019 from 9.30 –10am.

Message from our Principal continues...

ATTITUDES TO SCHOOL SURVEY

WE WANT OUR STUDENTS TO TELL US WHAT THEY THINK!

At Kurnai College we value student voice as a means to improving student engagement, wellbeing, and quality instruction, and are conducting a survey to find out what your child thinks of our school. The Attitudes to School Survey is an annual student survey offered by the Department of Education and Training to assist schools in gaining an understanding of students' perceptions and experience of school. Our school will use the survey results to plan programs and activities to improve your child's schooling experience.

Students from Years 7 to 10 at our school will participate in the survey. Your child will complete the survey online during school hours using a purpose built secure online survey tool. It is important to note that we are not in any way "testing" your child.

Your child will be provided with a unique login to complete the survey. The student login is an assigned identifier that may be used to link data for statistical and research purposes only. All responses to the survey are kept anonymous in the response file. Personal identification data will not be recorded in the survey response file. This ensures that the confidentiality of your child's responses is protected at all times.

This year the Attitudes to School survey will be conducted at our school over the period Monday 20th May to Friday 7th June. The survey only takes up to 40 minutes to complete and occurs during your child's class time.

The survey results will be reported back to the school before the end of term 2.

If you would like more information, please speak to your child's teacher or visit: <http://www.education.vic.gov.au/school/teachers/management/improvement/Pages/performsurveyat.aspx>

Year 7 News

ATTENDANCE

Please remember to contact our 24hr attendance hotline on 5132 3711 if your student is going to be absent from school.

CAMP WEEK

Students will be attending camp on Tuesday until Friday. This is a great opportunity to be challenged in a different environment, and develop some new friendships. A list of what to pack has been sent home, and as a reminder, students will need to have a packed lunch for the first day.

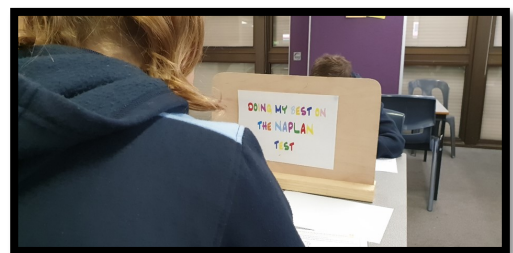

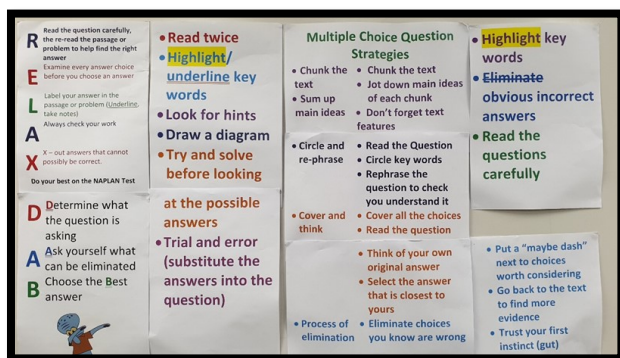

Students who are not attending camp are expected at school, a normal program will be running with some collapsed classes. If your child is not going to be attending, please ensure you contact our attendance hotline as mentioned above.

Celeste Sanderco
Year 7 Team Leader
hardy.celeste.n@edumail.vic.gov.au

NAPLAN

This week has been a tiresome week for students as they attempt 4 different NAPLAN tests. This is a great opportunity for students to perform their best under test conditions, and we are very proud of the effort, concentration of many of our students during this difficult task. To support students in this experience we have been practicing test strategies for multiple weeks, provided students with a healthy pre-test snack, and practiced some mindfulness activities to be able to focus their learning. Again congratulations to all students who participated in this activity.

DEVICES

Over the last couple of weeks we have noticed more students leaving their devices at home on a regular basis. Students are required to have an appropriate device (tablet, laptop, but not a phone) for classroom use. If the device is flat, students are encouraged to bring a charger as there are multiple power points in all classes for students to plug into.

Kurnai College Four Pillars

Year 8 News

This week 63 Year 8 students along with 7 staff members headed off to Karoonda Camp for the week, whilst 33 students remained back at school. During this time at school, the students have been involved in classes which are focusing on developing literacy and numeracy skills.

STUDENT LAPTOPS

Laptops are still an issue with students not bringing these to school nor bringing them to class on a regular basis. The laptop is part of school equipment and the time that students spend going to the library to borrow a device as they are not prepared for class has a significant impact on your child's learning time and the teaching time in every class throughout the day. Parents and guardians can support the classroom teachers by checking that their child is taking their laptop to school and encouraging their child to develop good organisational habits.

Lindy Gumpold
Year 8 Team Leader
gumpold.galinde.g@edumail.vic.gov.au

APRIL ATTENDANCE

Congratulations to the follow students for achieving 100% attendance.

Beth Daddo	Jackson Gray	Corey Xuereb
Andrew Hunt	Leah Hughes	Brooklyn Bordonaro
Tayla Fehlberg	Zoey Lenser	Kyesha Dawson
Hannah Bastow	Gabriel Losi	Alyssa Dixon
Arden Dale	Danielle Richards	Cooper Hare
Darnell Hudson	Jackson Skurrie	Gia Alkhoury
Lillie Bannister	Zane Beer	Lola Clifton
Bailey Craddock	Oriana Dale	Hayden Dent
Billy Gilligan	Kurtis Johnson	Konnah McKay
Zeck Ramacho	Sam Ryan	Owen Towers

STUDENT ABSENCES

With the Year 8 camp taking place this week, it is disappointing to see that students are missing from classes and that there has been no notification from a number of parents about why their child is absent. Please make sure that you do let the school know, by contacting the school prior to 9am where possible if it is expected that your child will be away from school. You may leave a voice message on the absence voice mail, which can be accessed 24 hours a day.

College Absence phone number - 5132 3711

Year 8 News continued.....

EQUIPMENT

A reminder to students and parents that appropriate equipment needs to be brought to class. Students should have more than one pen, ideally a pencil case, as well as an exercise book on which to write on in class.

Lindy Gumpold
Year 8 Team Leader
gumpold.galinde.g@edumail.vic.gov.au

PBS COUPONS

This year the students, once again, have the opportunity to exchange their PBS coupons, that they receive from Kurnai staff when they display a behaviour from the Four Pillars – Relationships, Engagement, Excellence, or Work Ethic – for a prize from the display cupboard, which is the Wellbeing Office.

A reminder to all Year 8 students that when they receive a ticket that they need to place the tickets into the PBS box, which is located in the Library.

UNIFORM EXPECTATIONS

As the weather changes and it becomes a bit colder, students are still expected to be in full uniform. This does not include non-school uniform jackets, hoodies or tracksuit pants; however, students can wear long sleeve navy or white tops (without hoods) underneath their polo tops. Students are also reminded that if they are required to wear shoes that are predominately black.

If your child is out of uniform, please provide a note.

EASY LEARNING CLUB

When: Wednesday afternoon

Where: Churchill Campus Library

Time: 3:00 to 4:15pm starting in Week 3

Contact: Mr Barrie

Excellence: We do the best that we can do

Work Ethic: We are committed to working hard

Relationships: We value and respect each other

Year 9 News

This has been yet another busy fortnight for Year 9 students. We have had the inclusion of the Sports Expo, AFL, Cross Country, an excursion to Melbourne to see a theatre performance, NAPLAN and some regular class time amongst all the fun. It has been great to see students take advantage of the opportunities offered to them and to gain new experiences and represent Kurnai in a positive way.

SPORTS EXPO

On Wednesday 8th May, students in Years 7-9 braved the wet weather and ventured across the road to the Latrobe Leisure Centre to partake in a sports expo. The event was an opportunity to see what the local community has to offer in the way of sport. Cade Tatti has expressed the following:

The sports expo was a fun and exciting activity for all. There was soccer, hockey, basketball and tennis. I had much fun playing table tennis and volley ball. I'm sure many people will find an interest in at least one sport at the expo.

AFL

Well done to Lachlan Bell, Benjamin Bremner and Zac Schill who played in the Years 9/10 intermediate AFL competition last week. The boys came away with a win against Traralgon Secondary and a loss against Lavalla. With a team who was short on numbers, the boys played great footy and did a brilliant job representing Kurnai.

CROSS COUNTRY

Congratulations to Benjamin Bremner, Claire Irving and Dylan Dunstall who competed in the Wellington Cross Country. Claire who came 2nd and Dylan who came 7th will represent Kurnai in the next round of competition.

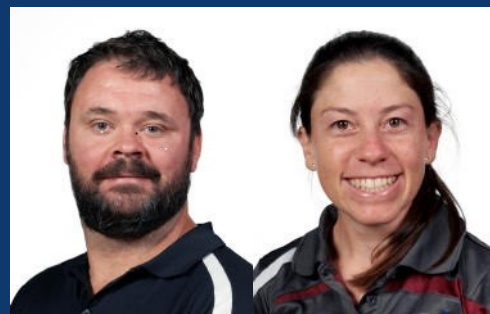

CLOUD STREET PERFORMANCE

During the week, Kline organised for his Theatre Studies Elective class to watch a theatre play in the City. It was a great opportunity not to be missed and the students who attended came to school the next day still buzzing from the experience. The following is written by Bridie Byrne who thoroughly enjoyed the day:

On Tuesday 14th May, 20 Year 9 students went to see a play called Cloud Street, which is an Australian written and produced play performed at the Malthouse Theatre in Melbourne. Cloud Street is about two families, the Lambs and the Pickles moving into a haunted house together on the street 'Cloud Street' in Perth and their life events while they lived in this particular place.

In the morning, we left Morwell Train Station at 6:45am and arrived at Flinders Street Station at 9am. Then the students were given the opportunity to walk around Melbourne and look at the shops, with many students going to Starbucks, Seven Eleven and Maccas for breakfast. Then at 10am, we all walked over to Malthouse Theatre and saw the first act of Cloud Street, which went from 10:30am to 12pm. We got a forty minute break for lunch and then watched the second and third acts, having a small break in between. After the performance, we all walked back to Flinders Street to get food and then catch the train back to Morwell. After a long and eventful train ride home, we were happy to meet our parents at the train station and come home after a long day.

We would all like to thank Kline for taking us on an opportunity of a lifetime and taking time out of his schedule to take us on this trip. We all enjoyed it and would love to come back to see the show again.

WORK EXPERIENCE

The Year 10 work experience program is in full swing and no doubt all students would have been nervous before commencing their first day.

This is a very normal reaction and common feeling for anyone - young or old - when starting out in a new job and a new work place. Be assured that as each day passes, the nerves start to fade as things become more familiar.

The Year 10 team have been visiting and aim to visit or contact every student (some visits will not be possible given the nature of the work such as those out and about in various trade industries) over the two week period. So far the feedback from both students and supervisors has been very positive.

Bree has stated that she 'LOVES her work placement' (Mitchell House – Aged Care) and feels she has a positive impact on the residents

Kiarna (Latrobe Valley Express) has been involved in many meetings and even written a piece for the Express.

Lachlan and Riley were trying to navigate and remember where everything is at Bunnings.

Cade has been getting out of his quiet comfort zone at Morwell Central Primary School joining in group time sessions while Jeremy (St Vincent's Primary School) said he was ACTUALLY enjoying this placement with the Preps.

It is fantastic to hear of students getting more than what they expected out of placements!

Just a reminder that if your child is unable to attend work due to illness then they must follow normal protocol for any work place – notify their supervisor including notifying myself (students have my mobile number) or the school.

Finally, this is a formal school program and therefore students are expected to attend their placements (as they are expected to attend school) over taking extra shifts during school hours with their employers.

Year 10 News

COURSE COUNSELLING for 2020 has already begun ...

As stated in last weeks newsletter, as soon as students return from work experience they will be launching straight into course counselling for their 2020 pathway (VCE or VCAL).

Students have already heard from the VCE and VCAL team about the difference and requirements of both pathways. Year 11 student, Shelby Love, also shared her experience of the VCE program, strongly encouraging our current Year 10's to consider and improve their study and work ethic habits now before commencing Year 11.

There will be further presentations and support both at school and at the University Campus for parents and students (see Term 2 schedule) that will allow you to explore the most appropriate pathway for your child in 2020.

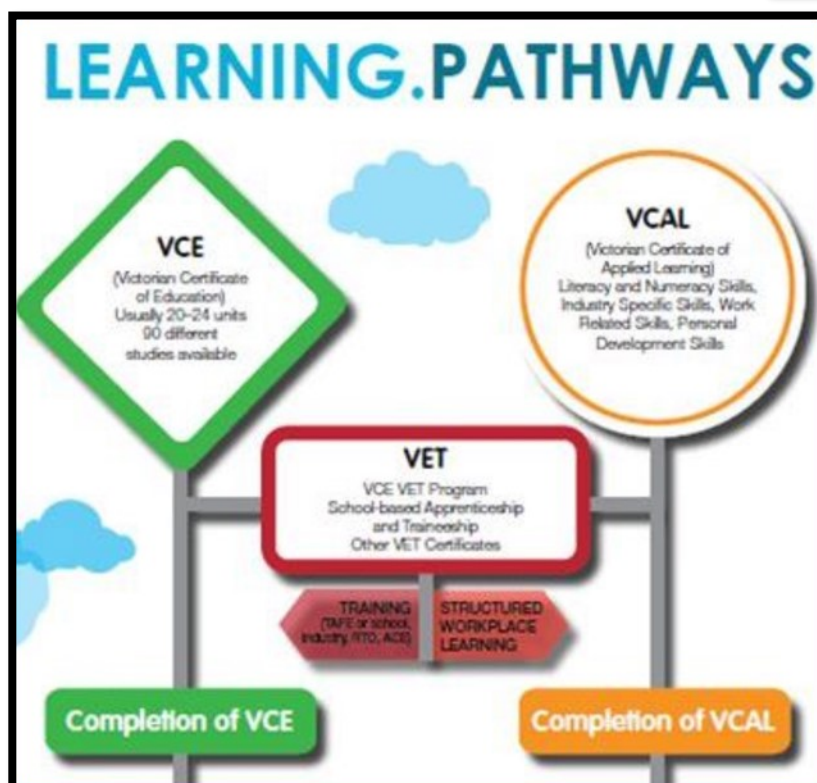

Please note: Wednesday 26th June - all Year 10 students together with their parent or guardian, must attend a course counselling interview to finalise their pathway preference (VCE or VCAL) and choose their subjects for 2020. Interviews will commence at 1pm and will run for 15 minute blocks. Students must sign up for their preferred interview time in consultation with their parent or guardian. Sign up sheets will be available in Week 6 at the Year 10 Office.

BUS TRAVEL – DO YOU LIVE IN MORWELL?

Students who attend Churchill Campus and live in Morwell are not eligible for free travel. If you have a child who is currently accessing Latrobe Valley Bus Lines services to and from Morwell to Churchill Junior Campus daily to come to school, they will need to have their own MYKI. The school also suggests that once you have a MYKI you register it on line and top up when needed. Once registered, your MYKI can be refunded if lost.

Latrobe Valley Bus Lines are checking students ID Cards and MYKI on a regular basis. If your child gets on a bus without a MYKI or the relevant ID Card they may be asked to get off the bus or may be fined for fare evasion.

Please ensure that your child's travel to and from school (Morwell to Churchill) is compliant at all times. If you have any questions in relation to bus travel please to contact Leonie Mackie on 5165 0600.

For further information please refer to <https://www.education.vic.gov.au/school/teachers/transport/Pages/conveyance.aspx>

DEDLEE KULTYA DANCERS

The Dedlee Kulya Dancers practice on Monday afternoon at school (Morwell Campus) from 3pm – 4pm. Students will also have a light snack and drink during this time. If parents/carers have any information they need regarding the dance practice please contact Marina Cooper on 03 51 323 832 or the office on 03 51 323 800. Ashlee Vella can also be contacted at the Morwell Campus on 03 51 650 632 or the Morwell office on 03 51 650 600.

We welcome your children to attend and participate.

ITS NOT OK TO BE AWAY

Each campus of Kurnai College will this week be celebrating with students whose attendance was 90% or above this Term. The College is focusing on raising our attendance rates across the board so that all students are aware how important it is to be at school everyday to get the most out of their education. At Kurnai the focus of improving attendance will take many different forms from celebrating success at one end for those attending 90%+ of the time to daily phone calls home at the other end where unexplained absences are deemed to be too high.

Success at school is very closely linked to attendance. If a student is not present to hear the teacher's explanations, not there to participate in discussions, not there to learn from those around them and not there to listen to different points of view, their learning will suffer. Of course if a student is ill or there are other important family matters a student will be absent. For all these absences an explanation should be provided to the school as soon as possible after the absence.

We encourage all parents and guardians to discuss the importance of attending everyday with their student because **ITS NOT OK TO BE AWAY**.

Kurnai College Hockey Team

Mrs Fitzpatrick and Anita Charles (parent helper) are looking to enter an under 15's Kurnai College team into the local hockey competition.

(U13s and U18s who are interested in playing can be helped to find a local team)

All under 15's games are held on Saturday morning at the Federation University field.

The season runs from April to September. Registration and club fees are approximately \$100 for the calendar year (Jan-Dec and includes social hockey over summer)

Training will be held on Thursdays at lunchtime.

All equipment can be provided but players will need to purchase their own mouthguard.

Please see Mrs Fitzpatrick in the Year 8 office if you are interested.

Players from last year's SSV teams are encouraged to join.

Beginners are welcome.

ITS NOT OK TO BE AWAY

As the new school year begins its important to keep in mind that attendance at school is compulsory for all students 17 years of age and under. Every student should be at school, in class learning from the experiences that are carefully provided for them.

Of course there will be times when a student is sick and it is unavoidable to be absent. We fully understand that from time to time illnesses will impact on attendance. So will events outside the control of the student, for example close family bereavement. If these events do occur, a parent should provide an explanation to the school through the Absence Hotline.

All studies show that the more time is spent away from school and school work is missed the more likely a student will begin to disengage and not perform to their capacity. This will affect future learning and ultimately employment prospects later on.

All parents and guardians should strongly encourage their student to attend school every day. Setting out a regular morning routine will help to make getting to school easier for your student. Remember that ITS NOT OK TO BE AWAY.

School Attendance Did you know?

EVERY
DAY
COUNTS

Your child's attendance is on or above 95%

They are likely to be a "Star Performer" as well as an excellent attendee. They will almost certainly achieve the best grades for their ability and have real opportunity in further education and the world of work.

Your child's attendance is 90 – 94%

"Green for go" for good attendance. They are likely to achieve grades that will give them real opportunities for continuing their studies and their future in the world of work.

Your child's attendance is at 85 – 89%

"Amber Take Care!" They will be missing up to 20 days each year and this will make it difficult for them to achieve at their best level educationally.

Your child's attendance is 80-85 %

"Red light - Be alert!" They are missing so much school that it will be very difficult for them to keep in touch with lessons or schoolwork.

Your child's attendance is below 80%

"At Risk – immediate action needed!" They are missing so much time from school that it will be almost impossible for them to keep in touch with lessons or schoolwork.

RE: Secondary School Vaccine Program

The Secondary School Vaccine Program offers free vaccines to help make sure students and communities are protected from diseases such as diphtheria, tetanus, whooping cough, human papillomavirus (HPV) and meningococcal A,C,W,Y.

Local councils deliver the program and schools distribute the information and consent card booklets.

The Public Health and Wellbeing Regulations 2009 authorises secondary schools to provide their local council with student and parent/guardian contact information for any student scheduled to receive a vaccination. This information assists local councils to follow-up parents/guardians of students with incomplete or missing consent cards.

What information goes to local council?

Schools provide the following basic student and parent/guardian contact information:

Student name, gender, date of birth, year level, class, language(s) spoken at home

Parent/guardian names, phone numbers, email and postal addresses

Why do schools provide this information?

To ensure all Year 7 and 10 students are offered the opportunity to access free vaccinations at school.

To improve communication with parents/guardians regarding their child's vaccination needs

To reduce the administrative burden on school staff to follow-up consent cards

What do I need to do?

Your information will be provided to Latrobe City in March 2019. If you do not wish for your details to be provided, please advise the school in writing before 28 February 2019.

Read the information provided in your child's consent card booklet and complete all sections, regardless of whether or not you consent for your child to be vaccinated as part of the school-based program.

Detach Part A of the consent card booklet with all fields completed, and return to school.

Every day vaccination saves lives and makes it possible for Victorians to live free from the illness and disability caused by many infectious diseases. All Year 7 and 10 Victorian secondary students can receive these vaccines for free.
