KEY DATES

21 Sept	PARENT TEACHER CONVERSATIONS 10AM - 1PM
	END OF TERM 3 - BUSES LEAVE 1PM
8 Oct	TERM 4 BEGINS

Message from our Acting Campus Principal - Cleo Lazaris

As term three draws to a close, I would like to acknowledge the hard work of staff and students during one of the traditionally most difficult terms of the year. Without public holidays to break up the term, all members of our community have persevered through the winter months to continue to do their best. I wish everyone a safe and enjoyable holiday. I hope you have a chance to relax and recharge your batteries ready to tackle the final term.

Staffing Update

This week we farewelled two of our long standing staff members, Sally Sandy and Ronnie Schuback. Collectively, the ladies have supported students and staff at Churchill Campus for well over two decades. We will miss their contribution to our campus but are pleased that they will remain as members of Kurnai College. From all staff and students at Churchill Campus Ronnie and Sally, we wish you all the best in your new roles at the FLO.

Thinking Championships

Our Year 7 students have participated in the 2018 Thinking Championships over the last couple of weeks and it has again been an exciting and engaging time for all the teams. Students have demonstrated many of the soft skills taught throughout the year such as team work, problem solving, communication and time management. A huge thank you to all the staff led by Russell White in organising and supervising such an extensive program.

Cuppa and Chat with Cleo

The next catch up will be Friday, October 12th at 9.30 am.

College Principal

Anthony Rodaughan

Acting Campus Principal

Message from our Principal continues.....

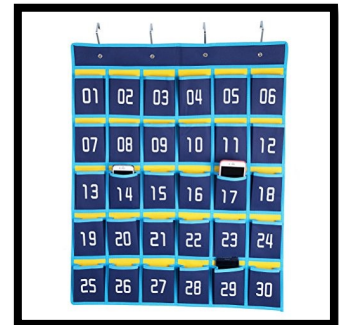

Medieval Day

On Monday our Year 8s participated in Medieval Day. Students have been studying Medieval times in their Humanities classes and the day celebrated activities of that time. All students enjoyed arts and crafts, a feast and sports and games. Congratulations to staff and students from the Year 8 team for making this an enjoyable and memorable day.

Mobile Phone Use

The dilemma of whether mobile phones are a distraction in class has been and will continue to be an issue facing all schools. As a Bring Your Own Device (BYOD) school, Kurnai College encourages students to have their laptops and tablets ready to use as a point of learning tool or for classwork as set out by the teacher. It is our responsibility as a community, to support young people to use devices appropriately in different settings, including school. Churchill Campus now has a phone holder in every classroom where students are asked to park their phones at the beginning of the lesson so as not to distract them from classroom learning. Students will be able to access their phones only if their teacher deems that the phone at that point in the class would assist the learning.

Homework Club

We've had a great turn out for our Homework Club on Wednesday nights. Students can get extra help with classwork, in a relaxing environment.

When: Wednesday afternoon

Where: Churchill Campus Library

Time: 3:00 to 4:15pm

Food Provided

Kurnai College Four Pillars

Engagement: We actively participate in our own learning

Excellence: We do the best that we can do

Work Ethic: We are committed to working hard

Relationships: We value and respect each other

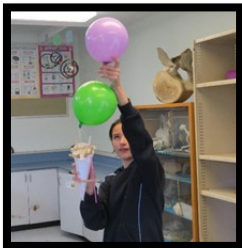

Year 7 News

Thinking Championships

It has been an action packed and fun filled end to a very busy Term 3. Students have been involved in competing in the 'Thinking Championships' challenging their physical, mental, dramatic and artistic abilities in events including; two ball soccer, ad making, puzzles, charades, circuit, Wii sports, and many, many more. The students have participated in these events with great enthusiasm and have enjoyed themselves immensely as well as some countries scoring "world records" in a number of events, which is quite an achievement. It is always an enjoyable way to finish what is renowned to be a very busy term and we would like to give a very big thank you to Mr White who is instrumental in organising and leading this event. A lot of work goes into organising these two weeks and he has done a phenomenal job yet again. The closing ceremony and presentations took place on Thursday. Good luck to all our countries!!

Celeste Sanderco
Year 7 Team Leader
hardy.celeste.n@edumail.vic.gov.au

Learning Behaviour Updates

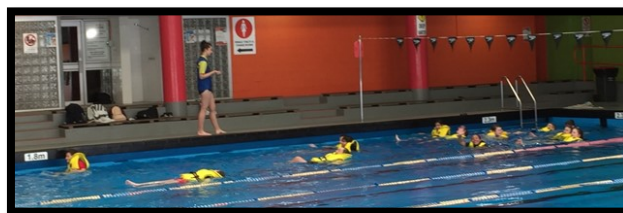

Congratulations to the following students who achieved a GPA of 3.8 or higher, we hope you enjoy your reward lunch.

William Bonnici	Alexandra Gore	Andrew Hunt
Bailey Jones	Jazmine Sanders	Tyra Abbott
Josh Gina	Hayden Dent	Callum Minster

Swimming

Well done to all the students who participated in the swimming program this term. In Term 4, the girls who did not swim this term will be offered the same opportunity to enhance their skills in the water as facilitated by Austswim instructors. We remind students that this is a compulsory unit of their Physical Education as well as an incredibly valuable learning opportunity. This program is funded by the College and the girls are only required to return their permission forms if they have not done so yet.

Kurnai College Four Pillars

Engagement: We actively participate in our own learning

Work Ethic: We are committed to working hard

Relationships: We value and respect each other

Year 7 News continued.....

Term 4 Transition

As students enter their fourth term of Year 7, we would like to express our want to assist each student in their transition into Year 8. Unlike the transition from Primary School to Secondary School, it often seems that students are expected to shift from what they know to something new without much consultation. We would like to encourage all students and their families to contact us during Term 4 if they have any questions, concerns or uncertainties. Further, we urge both students and families to contact our team if they feel intervention needs to occur regarding academic or social situations. Whilst we place a high importance on teaching students to be resilient in challenging times, we promote taking proactive approach to such matters which includes communicating any stresses that students or families are feeling. When we are aware of these situations, we can offer support and strategies to help guide students in managing themselves in a safe, productive and positive way.

Please contact us on 5132 3700 or email Celeste Sanderco or Mary Corponi via Compass if you wish to discuss student matters.

Celeste Sanderco
Year 7 Team Leader
hardy.celeste.n@edumail.vic.gov.au

Holidays

On behalf of the Year 7 team, we wish students and families a relaxing and enjoyable break and look forward to returning for term 4.

Kurnai College Four Pillars

Engagement: We actively participate in our own learning

Excellence: We do the best that we can do

Work Ethic: We are committed to working hard

Relationships: We value and respect each other

Year 8 News

As the end of the term approaches, teachers have just finished the Learning Behaviour Reports and are looking forward to discussing these with parents, guardians and students at the Conferences which took place last night after school and this morning.

On behalf of the Year 8 Team of teachers; Sarah Cohen, Rebecca Lynch, Ross Fitzpatrick, Chris Flake, Josh Barrie and Lindy Gumpold we would like to wish all Year 8 students and their families an enjoyable Term 3 holiday break.

Student Absences

Over the past week new absence letters have been sent out to parents of Year 8 students who have unexplained absences from school. It is DEECD (Department of Education and Early Childhood Development) policy that all student absences are accounted for and therefore we do require explanations for all absences from school. Please make sure that you do let the school know, by contacting the school prior to 9am, where possible, if it is expected that your child will be away from school. You may leave a voice message on the absence voice mail, which can be accessed 24hours a day. Starting in Week 2 of Term 4 these absence letters will be posted out every fortnight.

Absence phone number - Churchill - 5132 3711

Equipment

A reminder to students and parents that appropriate equipment needs to be brought to class. Students should have more than one pen, ideally a pencil case, as well as an exercise book on which to write on in class. Students are reminded that they are not to bring bags to class.

Uniform Expectations

When students are at school or participating in school activities that take them out of the school grounds they are expected to be in full uniform. This does not include non-school uniform jackets, beanies, hoodies or tracksuit pants, however they can wear long sleeve navy or white tops (without hoods) underneath their polo tops. Students are also reminded that they are required to wear shoes that are predominately black. If your child is out of uniform, please provide a note which explains why your child is not wearing uniform on a particular day. If you require any assistance with school uniform, please don't hesitate to contact the school and speak to either a member of the Year 8 Team or the Wellbeing Team.

PBS Coupons

Village Cinema movie tickets have been the most popular reward that the Year 8 students are collecting with their coupons from the PBS cupboard. A reminder that the PBS coupons are given to students by staff members, when students display a behaviour from the Four Pillars – Relationships, Engagement, Excellence, or Work Ethic – for a prize from the display cupboard, which is the Wellbeing Office.

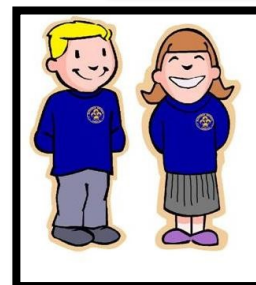

At the end of week 7 the following are the top 7 students for Year 8:

- Jazmin Perrott Orr - 17
- Trey Knight - 15
- Ryan Nestor - 13
- Nelly Love - 12
- Violet Juricevich - 11
- Shyeri Marvin – 10

A reminder to all Year 8 students that when they receive a ticket that they need to write their name on the ticket and then place it into the PBS box, which is located in the Library.

Lindy Gumpold
Year 8 Team Leader
gumpold.galinde.g@edumail.vic.gov.au

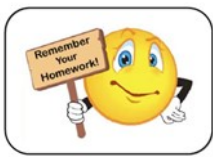

Year 8 News continued.....

Student Laptops

A reminder that students are expected to have a laptop and that students need to bring their laptop to all classes. Staff in the Year 8 team have worked to determine which students have their own laptop or required access to a school laptop in the short term. Therefore all students in Year 8 currently have access to a laptop. If parents and guardians could support the school by checking that their child is taking their laptop to school that would assist with trying to develop good organisational habits.

Lindy Gumpold
Year 8 Team Leader
gumpold.galinde.g@edumail.vic.gov.au

Homework Club

Homework Club is becoming a popular place for Year 8 students to come along and receive extra assistance from teachers and to complete work before they go home. With the release of the August Learning Behaviour Reports this is a great opportunity for parents and guardians to reflect on whether your child needs extra assistance to help them complete work.

Theatre Studies

Over the years, the Theatre Program at Kurnai Churchill has presented some very challenging productions. This year the Year 9 class will perform one of the most exciting plays yet.

BLACK ROCK, by Nick Enright, is an Australian classic. It's a story about boys. In the current climate this is particularly relevant subject matter. Kurnai Churchill is currently doing a lot to discuss toxic masculinity and domestic violence at the Year 9 and 10 level, trying to be proactive about these difficult issues.

Hence, the upcoming production of BLACK ROCK will raise the issue in a way that is clear and thoroughly engaging. It is the story of a beach party that goes horribly wrong and ends in the death of a young girl. It is a story of guilt and loyalty, and coming of age. The language is rough, the acting is wild, and the climax is powerful.

The first performance is Tuesday 13th November at 7pm in the theatre. For more information please contact Kline at the school.

Common Assessment tasks

Students had a busy couple of weeks completing CAT's for their core and elective classes. These tasks gave the students an opportunity to demonstrate the skills and knowledge that they had been learning throughout the term.

Well done to everyone for their persistence throughout the CAT process.

Kurnai College Four Pillars

Engagement: We actively participate in our own learning

Year 9 News continued.....

Parent Teacher Conversations

The Year 9 Staff would like to thank the parents who took the opportunity to meet with us to discuss your child's progress in their classes.

Mobile Phones

A reminder that while students are allowed to bring their mobile phones to school that is with the understanding that they are not to be used in classes for games and texting etc.

Classrooms have mobile phone holders that students are expected to use to ensure that they are free from temptation and distraction.

BYOD

A reminder that students are required to bring their device to school charged and ready to use. If your child does not have a personal device please contact Glen Stephenson who will be working to make arrangements for a device to be available.

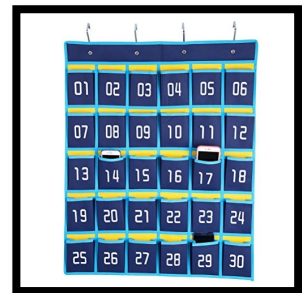

Homework Club

Homework club is available for students on a Wednesday afternoon to assist with their studies.

Where: Churchill Campus Library 3 - 4.15pm

Robin Fitzpatrick
Year 9 Team Leader

Year 10 News

ONLY 9 WEEKS LEFT AT the JUNIOR CAMPUS

The countdown continues until our Year 10 students head north to the University Campus to commence their senior studies. The expectations around work ethic and attendance remain high for all students right through to the end of the term. On that note I want to congratulate our Year 10 students who achieved an excellent performance average for their most recent Learning Behaviour Reports: Ruby Reilly, Justin Coleman, Sydney Simpson, Madi Tarrant, Gemma Brown, Tim Hutchinson, Bradley Scholten, Antonio Cardillo, Jessica Campbell, Samantha Wakefield, Jarryd Xuereb, Shelby Love, Amy Cannon, and Namatai Douglas.

Jenny Horner

Year 10 Team Leader

horner.jenny.m@edumail.vic.gov.au

What's coming up

A quieter start to the final term of the year for our Year 10 students but still some great opportunities for our students to engage in extracurricular activities.

Wk 1 Oct 8-12	
Wk 2 Oct 15-19	
Wk 3 Oct 22-26	Tues 23rd Mandala Exhibition (Melbourne Museum) Tues 23rd HMAS Cerberus Tour (SALE)
Wk 4 Oct 29-Nov 2	
Wk 5 Nov 5-9	
Wk 6 Nov 12-16	GLOBAL YOUTH FORUM (SALE)
Wk 7 Nov 19-23	
Wk 8 Nov 26-30	Year 10 Exam Week YEAR 10 FORMAL (Thur 29th)
Wk 9 Dec 3 - 7	HEADSTART
Wk 10 Dec 10 - 14	HEADSTART
Wk 11 Dec 17-21	Celebration Week

Minor Classroom Shuffles

Just a note that we anticipate some minor shuffles across Year 10 classes for Term 4 in our ongoing efforts to minimise the distractions and improve the overall work ethic.

Bootcamp

The Bootcamp program provides students who have not completed the required work in class or who need some extra support, with additional time and care to finish a task. I will endeavour to send parents an SMS if your child is nominated to attend Bootcamp on any given Friday during Period 5. If you would like any further information about this program, please contact Andy or myself from the Year 10 team.

Leaving school grounds during lunchtime/ before end of school day

A reminder to parents and students that students are not allowed to leave the school grounds during the school day. If you need to collect your child before the end of the day, please come to the general office to sign them out or contact me via phone.

Year 10 News

THURSDAY
29th NOVEMBER!

Year 10 Tasmania Trip

After four long days in the saddle (aka Laurie's bus), the Year 10 Tassie Trip ended with a roller coaster ride of three-metre waves across the Bass Strait!

On behalf of all the staff involved in the planning of, and those of us lucky enough to attend the trip, we just want to say thank you to all the students for being awesome, patient, and respectful throughout the trip!

The team received several positive comments about our students including 'this is the best group of students we have had here (Port Arthur)'. Even the really-really-really strict bus driver paid tribute to our students.

Ruby, Shayla (pictured on the Port Arthur Ghost Tour) and Gemma have described the experience as being different to other camps, even going as far as stating it was 'thrilling.' They said that the plane trip to Hobart and the return trip on the Spirit of Tasmania 'were both different experiences, but both were fun.'

They went on to say that 'the first fun experience was Mt Wellington which had spots of snow'. This, of course, led to a few snowball fights. 'We learned a lot about the history of convicts at Port Arthur; we went on a Ghost Tour which was spooky and exciting. We also went on the Tahune Airwalk in Huonville (refer to Jenny's attempt at a selfie shot with Hayden, Tim, Angela, Taneesha and Jess). Overall the girls said that 'although we spent a lot of time on the bus it was a good time bonding with everyone, listening to music (thanks Kylie for the 80's playlist) and most of all sleeping after a long day.' All in all the girls said 'the weather was beautiful, it was great meeting new people ... everyone got along ... and the places we visited were great!'

Andy, Ben, Nyssa, Kylie and I will reflect more on the trip and make some super-sized recommendations for 2019!

Kurnai College Music

Throughout the year, students enrolled in the Music Program have been preparing for these annual performances – Latrobe Valley Eisteddfod; VCE Music Performance exams; the On The Road Again Primary Schools tour; College Music Concert; and Kurnai Idol.

Even though terms three and four are predominantly performance and assessment terms, we are also preparing for next year by seeking new enrolments.

Latrobe Valley Eisteddfod

A number of our College and VCE ensembles performed in the eisteddfod in a variety of sections.

The College vocal group participated in the Primary/Secondary Schools Vocal Group section and received an Honourable Mention.

The College Guitar Ensemble and Mixed Concert Band both performed in the Secondary Schools Instrument Ensemble section, where Mixed Concert Band received a third placing and the Guitar Ensemble was nominated as the winner in this section – as part of the first place prize a shield was presented to winners which features the names of all the schools that have won this shield. This is also the second time that the College Guitar Ensemble have won this shield for the school.

Two of the VCE Music Performance ensembles performed in the Open Instrument Ensemble section, performing against competent community ensembles. Our students were successful in receiving a first and second placings through the VCE Brass Ensemble and the VCE Contemporary Ensemble.

Well done to all those students that have attended their instrument classes, did the required practice and attend these performances.

VCE Music Performance - performance exams

Throughout the year, students enrolled in the VCE Music Performance class have been rehearsing afterschool every Thursday for the year twelve students End-Of-Year Performance Exams. Students will be coming in over the holiday break to fine tune their performances in preparation for their 10th October exams.

Good luck to the year 12 students Nathan Britt, Callum Sammut and Ashlee Webster with your exams. Thanks also to the year eleven VCE Music Performance students and those from the Churchill Campus who have attended the weekly rehearsals.

Write these dates:

On The Road Again Primary Schools tour – Weeks one and two. Choir, Guitar Ensemble, Mixed Concert Band and KP NoiseMakers performing at Boolarra, Churchill North, Morwell Park and Morwell Central Primary Schools.

College Concert – Week 6 Evening Performance

Kurnai Idol – Heats to commence at each campus early term four followed by final. Get your voices ready over the holidays and find someone that can play either piano or guitar.

Tuning in to Kids/Teens Emotionally Coaching Parenting

An eight-session parenting program for parents with children in the following age groups:

- Tuning In To Kids: 3 - 10 years
- Tuning In To Teens: 10 - 17 years

Would you like to learn how to:

- be better at talking with your child?
- be better at understanding your child?
- help your child learn to manage their emotions?
- help to prevent behaviour problems in your child?
- teach your child to deal with conflict?

Tuning in to Kids/Teens shows you how to help your child develop **emotional intelligence**. Children with higher emotional intelligence:

- have greater success with making and keeping friends
- have better concentration at school
- are more able to calm down when upset or angry
- tend to have fewer childhood illnesses

Emotional intelligence may be a better predictor of academic and career success than IQ!

For further information:

Please contact Denise Collis or Kate Thomas
