30 Aug	COLLEGE BIG DAY OUT
10-13 Sept	YEAR 10 TASMANIA CAMP
21 Sept	END OF TERM 3
8 Oct	TERM 4 BEGINS

Message from our Acting Campus Principal - Cleo Lazaris

Cuppa and Chat with Cleo

During our recent College review I met with some parents for a general chat about their experience as a parent at the school. We all felt that an opportunity for an informal catch up would be a great way for parents to ask questions and for me to find out how things are going at Churchill Campus. To this end I will be holding regular, informal chats starting with Friday, August 31st at 9.00 am. It would be great if you could give up half an hour of your time to have a cuppa and a chat. Please call into the General Office to sign in and the office staff will show you to our boardroom.

Careers Week

This week all Year levels celebrated Careers Week. A number of activities and excursions were organised by our Careers and Pathways officer, Kylie Downey. Often students find it difficult to see the connection between school and future pathways so the aim is to expose our students to as many employers from our local area who will explain the world of work and its expectations. The week ended with a BBQ lunch on Friday.

Assessment Weeks

Our Common Assessment Tasks are used to gauge student achievement against the Victorian Curriculum standards. They are the final or summative assessment for a unit of work in any given subject. All Common Assessment Tasks (CATS) will be completed during weeks 8 and 9 of this term. There will be minimal disruption to classes during this time and I ask that student absences are kept to a minimum. Students who miss CATS will need to make up the time in our after school homework club on a Wednesday evening. If your child is absent please inform the Team Leader so that arrangements can be made.

College Principal

Message from our Principal continues.....

Mobile Phone Use

The dilemma of whether mobile phones are a distraction in class has been and will continue to be an issue facing all schools. As a Bring Your Own Device (BYOD) school, Kurnai College encourages students to have their laptops and tablets ready to use as a point of learning tool or for classwork as set out by the teacher. It is our responsibility as a community, to support young people to use devices appropriately in different settings, including school. Churchill Campus now has a phone holder in every classroom where students are asked to park their phones at the beginning of the lesson so as not to distract them from classroom learning. Students will be able to access their phones only if their teacher deems that the phone at that point in the class would assist the learning.

Homework Club

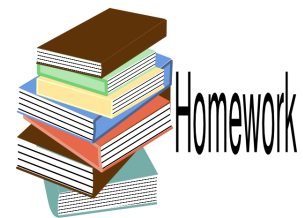

We've had a great turn out for our Homework Club on Wednesday nights. Student can get extra help with classwork, in a relaxing environment.

When: Wednesday afternoon

Where: Churchill Campus Library

Time: 3:00 to 4:15pm

Food Provided

Kurnai College Four Pillars

Engagement: We actively participate in our own learning

Excellence: We do the best that we can do

Work Ethic: We are committed to working hard

Relationships: We value and respect each other

Year 7 News

Time is flying as we head into the tail end of Term 3. In the last two weeks Year 7 students have continued to work through their curriculum, attended an excursion for Humanities and will experience what the senior campus of Kurnai has to offer as part of Careers Week.

Excursion to Lake Hyland

Students embarked on an excursion for Humanities with the hope to put some theory into practice.

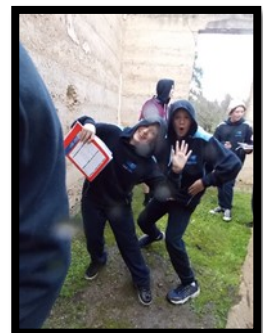

The following is an account as written by Katelin Mansfield and Charlotte Bourke:

On the 8th August, all the Year 7's participated in a Humanities task held at Lake Hyland. It was a challenging excursion because of the torrential rain that occurred, causing us to have wet worksheets and to struggle to write on the paper. The task included having to explore the different ways to collect primary data, such as discovering if Lake Hyland was natural or manmade. Although, it was a challenging excursion it was a good way to introduce our new unit for Humanities; Geography.

We personally enjoyed the excursion because it was a chance to get out of the classroom and explore the wonders of Lake Hyland. One of the most enjoyable activities was finding all the different animals that lived there. I would recommend going to Lake Hyland yourself as it was a good and interesting place which suited our task. We had a brilliant afternoon which was all thanks to our wonderful teachers Miss Barfoot, Miss Derricott, Miss Gruis and Mrs Lynch.

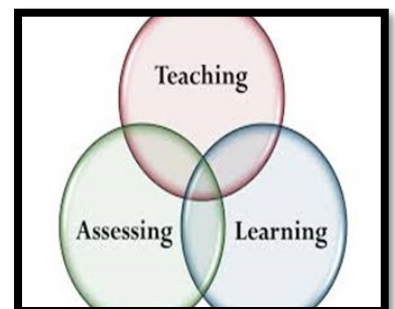

Celeste Sanderco
Year 7 Team Leader
hardy.celeste.n@edumail.vic.gov.au

Common Assessment Tasks

With the end of the term fast approaching and the inclusion of the Thinking Championships, Year 7 students will begin their Common Assessment Tasks next week which will most likely span over a two week period. This is an important time for students and teachers to complete assessments and gather data for student learning. This can be a stressful time for students and we encourage parents to contact us if they would like any further communications or if there are any issues relating to attendance.

Year 7 News

Uniform

With the absence of Form Group occurring four days a week, we have noticed students lapsing in maintaining correct uniform. Students are required to wear ONLY school uniform items and will be asked to remove any items of clothing that is not school uniform. Understandably being Winter, we want to ensure students are warm enough outside and in classrooms. However, hoody's underneath uniforms will asked to be removed. We strongly recommend students ensure their names are clearly written on all of their uniform tags, including their maroon and PE polo's as they are regularly changing these throughout the week. If there are any concerns with students' uniform, please contact the school so we can find a solution.

Kurnai's uniform policy is as follows:

Students are to wear the maroon college polo with navy shorts or trousers with girls having the option to wear the school dress. There is a choice of the school hoodie, spray jacket or fleece jacket. Shoes must be predominately black and covered in with white socks.

The PE uniform consists of the navy college polo with navy shorts or track pants and runners.

Celeste Sanderco
Year 7 Team Leader
hardy.celeste.n@edumail.vic.gov.au

Mobile Phones

The Campus has placed a strict policy on the use of mobile phones in the classroom due to the increasing distraction they pose for students and their learning. Each classroom is equipped with a mobile phone pouch where students can place their phones at the beginning of each lesson. At the end of each lesson, students are able to retrieve their phones for use outside of lesson times. Alternatively, students can keep their phones in their lockers during class time where they are secured by an individual coded lock. It has been acknowledged that students in Year 7 are doing a great job at following this new policy and we thank them and ask them to continue their efforts. If parents need to contact their student during class time, they are to contact the administrative team in the office on the school number: 51 323 700.

Year 8 News

It is concerning to notice that over the past two weeks that there has been an increase in the number of Year 8 students who are arriving late to class. It is so important that students arrive to class on time. Through a number of classroom observations, when students arrive late to class they stop the teacher from teaching and in effect stop the learning time available for the rest of the class. In this instance all students need to respect the right of a teacher to teach and the students to learn.

Lack of appropriate equipment in class is the other concern that has been noticed in the Year 8 classes. Students, in some instance, arrive to class and then leave to collect equipment such as pens or exercise books during the instructional phase of the lesson.

The importance of coming to class on time with the appropriate equipment is something that all parents and guardians can support the school and teachers, by ensuring that their child has the appropriate equipment and understands the importance of being on time.

Careers Week

On Tuesday 21st August, most of the Year 8 students participated in industry visits as part of Careers Week. The students visited the LV Express Printers and Earthworks Energy Manufacturing. This excursion was provided to all students at no cost and lunch was also provided. Fifty four students participated in this excursion.

At Earthworks, Catherine and Ben introduced students to the concept of a cooperative and explained that their cooperative has been established based on the philosophy of trading with sustainable and ethical products. Soft skills such as resilience, team work and problem solving were also discussed as the type of skills that are necessary for students who would like to work in a cooperative. The students also learnt about the manufacturing of the solar hot water systems and electricity.

After lunch at Immigration Park the students then visited LV Printers. Peter explained to the students the process for printing a newspaper. The students learnt that LV Printers print thirty two different newspapers for places such as Phillip Island, Maffra, Sale, Yarram, Castlemaine as well as the Latrobe Valley. Peter also explained the type of qualifications that students would need to have if they wanted to work as a printer.

PBS Coupons

Village Cinema movie tickets have been the most popular reward that the Year 8 students are collecting with their coupons from the PBS cupboard. A reminder that the PBS coupons are given to students by staff members, when students display a behaviour from the Four Pillars – Relationships, Engagement, Excellence, or Work Ethic – for a prize from the display cupboard, which is the Wellbeing Office.

At the end of week 5 the following are the top 6 students for Year 8:

- Violet Juricevich - 25
- Lucas Hobbs - 17
- Tom Hoghton - 13
- Bridie Byrne - 12
- Cade Tatti - 9
- Tamsyn Walker - 8

A reminder to all Year 8 students that when they receive a ticket that they need to write their name on the ticket and then place it into the PBS box, which is located in the Library.

Year 8 News continued.....

Mobile Phones

In the last Newsletter the issue of mobile phones was discussed with Cleo Lazaris, Acting Campus Principal, indicating that mobile phones are to be kept in your child's locker or in the phone holder, which is located in each class. Year 8 students need to understand that their phone is not part of their school equipment and should only be used at recess or lunchtime. Please, if you need to contact your child, do not text or ring your child during class time, as students are torn between following school rules and answering a parent call.

Uniform Expectations

When students are at school or participating in school activities that take them out of the school grounds they are expected to be in full uniform. This does not include non-school uniform jackets, beanies, hoodies or tracksuit pants, however they can wear long sleeve navy or white tops (without hoods) underneath their polo tops. Students are also reminded that they are required to wear shoes that are predominately black. If your child is out of uniform, please provide a note which explains why your child is not wearing uniform on a particular day. If you require any assistance with school uniform, please don't hesitate to contact the school and speak to either a member of the Year 8 Team or the Wellbeing Team.

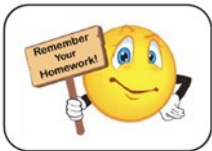

Lindy Gumpold
Year 8 Team Leader
gumpold.galinde.g@edumail.vic.gov.au

Student Laptops

A reminder that students are expected to have a laptop and that students need to bring their laptop to all classes. Staff in the Year 8 team have worked to determine which students have their own laptop or required access to a school laptop in the short term. Therefore all students in Year 8 currently have access to a laptop. If parents and guardians could support the school by checking that their child is taking their laptop to school that would assist with trying to develop good organisational habits.

Homework Club

Homework Club is becoming a popular place for Year 8 students to come along and receive extra assistance from teachers and to complete work before they go home. With the release of the August Learning Behaviour Reports this is a great opportunity for parents and guardians to reflect on whether your child needs extra assistance to help them complete work.

When: Wednesday afternoon

Where: Churchill Campus Library

Kurnai College Four Pillars

Year 8 News continued.....

Medieval Fete Day

On Monday 17th of September all Year 8 students will be involved in the Medieval Fete Day as a culmination of the work that they have been studying in Humanities this term. Over the coming weeks students will be planning and organising particular activities for the day. Students will not have regular classes but will be following an alternative schedule which is in the table below. Students will be involved in Arts and Crafts in the morning, followed by preparations for the feast which will occur during Period 4. All students will be provided Pumpkin Soup and Bread for lunch as well as a selection of medieval food prepared by the students.

Students are encouraged to dress in medieval costumes however, if not, students will be required to wear full school uniform.

Lindy Gumpold
Year 8 Team Leader

Melbourne Discovery Camp

The 39 students and 4 staff that attended the Melbourne camp had a busy week participating in a variety of activities in and around the CBD.

Activities included Hard Rock Climbing, Ice skating and swimming, Visiting the Eureka Sky deck, going on the Melbourne Star and a tour of the MCG.

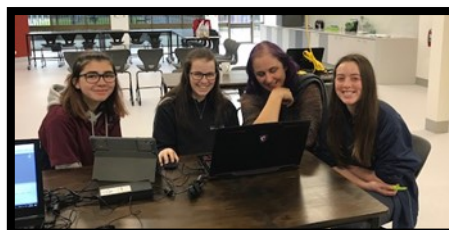

Some students managed to find their way around the city in "the Great race" before catching a Movie at Village Crown.

Plenty of walking, good food and shopping occurred before 43 tired people caught the train home for a well-deserved rest..

Augmented Reality

Over the past four weeks, students from Years 8, 9 and 10 have been undertaking a course in Augmented Reality with the Gippsland Tech School. This has seen them combine various software elements to install virtual features into real world scenes. The course is due to finish next Tuesday with a celebration that will be attended by various local dignitaries.

Careers Week

As part of Careers week our Year 9 students are participating in a Fed University Outreach Session "Focus on their Future".

Year 9 News continued.....

Peer Support Leaders for 2019

Following a selection process the Peer support leaders for 2019 have been selected. We congratulate the following students and look forward to their contribution to the program.

Jack Chessum	Jye Wilson	McKenzie Tingay
Tige Renwick	Sophie Bellingham	Chloe Huizer
Ryan Runge	Bethany Blakely	Charlize Doller
Oliver Sturre	Kiarna Cluderay	Hayley Donnelly
Boyd Makepeace	Azriel Halge	Darci Kovacevic
Zac Carlson	Jessica Hoghton	Kelly Nickson
Matthew McCafferty	Molly Sawyer	

Robin Fitzpatrick
Year 9 Team Leader
fitzpatrick.robin.e@edumail.vic.gov.au

Winter Uniforms

With the colder weather, students are still expected to be in full uniform.

Students are to wear the maroon college polo with navy shorts, track pants or trousers with girls having the option of the college dress. There is a choice of the college hoodie, fleece jacket or spray jacket. Long sleeve navy or white tops (without hoods) can be worn underneath their polo tops. Students are also reminded that they are required to wear shoes that are predominately black.

If you require any assistance with your child's school uniform, please contact the school, so that we can provide assistance.

BYOD

A reminder that students are required to bring their device to school charged and ready to use. If your child does not have a personal device please contact Glen Stephenson who will be working to make arrangements for a device to be available.

Homework Club

Homework club is available for students on a Wednesday afternoon to assist with their studies.

Where: Churchill Campus Library 3 - 4.15pm

Year 10 News

ONLY 13 WEEKS LEFT AT the JUNIOR CAMPUS

As we countdown the weeks until our Year 10 students fly the junior campus coup and head north to the University Campus to commence their senior studies, the expectations of students at the junior campus remain the same – arrive to class on time, follow your teachers instructions and make a solid effort to complete the work.

On that note, there are a number of students who are arriving late (some very late) to class – particularly period 1 classes. A reminder that school starts 8:30am Monday to Friday and arriving late to class will be reflected in your child's learning behaviour reports.

Jenny Horner
Year 10 Team Leader
horner.jenny.m@edumail.vic.gov.au

What's coming up and Dates to Remember

Wk 7 Thursday 30th Aug	Kurnai College BIG DAY OUT (9am to 2:30pm @ La Trobe Leisure Centre)
Wk 8 Thursday 6th Sept	STEM Sister Tech & Uni Taster Day
Wk 9 Mon to Thurs	Year 10 Tasmania Trip
Wk 10 Thursday 20th Sept	Fed Uni Outreach Program (10:30am – 2:30pm)

August Learning Behaviour Reports

Congratulations to the 13 Year 10 students who achieved a 3.5 or above average grade in their most recent learning behaviour reports. A special mention to Amy Cannon who has ranked in our top achievers all year. Well done also to Justin Coleman, Antonio Cardillo, Bradley Scholten, Samantha Wakefield, Brodie Cook, Namatai Douglas, Shelby Love, Jarryd Xuereb, Tim Hutchinson, Gemma Brown, Ruby Reilly, Madi Tarrant for your wonderful work ethic in the classroom. All students are expected to achieve growth in their next learning behaviour reports.

Tasmania Camp

A student meeting was held last week and information packs handed out to most students. Two further student meetings will take place on **Friday 24th August** and **Friday 7th September** from **1:15pm in the Language Centre**.

What we require NOW is notification of ANY food allergies or intolerances for catering purposes. Please contact Andy or myself directly on 5132 3700.

VIC ROADS presentation and Road Smart consent forms need to be returned

This week our students participated in ROAD SMART, a new road safety education and training program designed for Year 10 students. Students were quizzed on four key components of road safety: safer roads, safer vehicles, safer drivers and safer speed.

Participation in Road Smart eLearning modules and access to a free driving lesson requires online registration with VicRoads. Consent forms have been sent home previously and must be returned for students to complete the eLearning module.

Leaving school grounds during lunchtime/ before end of school day

A reminder to parents and students that students are not allowed to leave the school grounds during the school day. If you need to collect your child before the end of the day, please come to the general office to sign them out or contact me via phone.

Year 10 News

VIC SRC (Student Representative Council) CONGRESS 2018

One of our student council representatives, Amy Cannon, participated in Congress 2018, a 3-day extravaganza of student voice that took place at The University of Melbourne during the July school holidays. VicSRC Congress brings together students from all across the state to forge connections, discuss the issues affecting their education and build capacity to tackle these issues at a school, community and state level.

Amy said that Congress 'was an amazing experience to learn about student voice and the power of youth in today's society. We completed a workshop where students identified the top 12 issues facing young people today and then gathered into 12 groups coming up with ideas to help solve the issue. From the 12 issues, five were chosen and will be taken back to the VIC SRC.'

The Congress finished with Gala celebration.

Jenny Horner

Year 10 Team Leader

horner.jenny.m@edumail.vic.gov.au

BLITZ

We continue to encourage students not to use their mobile phones for personal use during their lessons. Students will be directed to place their phones in the holders OR they are expected to leave their phone in their locker. Students will have their phones confiscated for the day if not being used appropriately during class time. If you need to contact your child during normal class times please contact the front office directly on 5132 3700.

Absences

We remind parents and guardians that if a student will not be attending school for the day to ring the Absent Hotline on 5132 3711. This line is open 24hrs a day and will be sent as a message to our administrative team to forward onto relevant teachers. If students will be away for an **extended period of time**, please ensure you let our administrative team know and they can forward the message to team leaders so work and support can be arranged for students to complete whilst at home.

WE WANT OUR PARENTS TO TELL US WHAT THEY THINK!

Our school is conducting a survey to find out what parents think of our school. The Parent Opinion Survey is an annual survey offered by the Department of Education and Training that is conducted amongst a sample of randomly selected parents. It is designed to assist schools in gaining an understanding of parents' perceptions of school climate, student behaviours and student engagement. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

Approximately 30 per cent of parents will be invited to participate in this year's survey. Parents will be chosen randomly and will be mailed further details if selected. All responses to the survey are anonymous. This year the Parent Opinion Survey will be conducted from Monday 23rd July to Sunday 26th August.

The survey will be conducted online, only takes 10-15 minutes to complete, and can be accessed at any convenient time within the fieldwork period on desktop computers, laptops, tablets or smartphones. The online survey will be available in a range of languages other than English. These include: Arabic, Vietnamese, Mandarin, Chin (haka), Hindi, Japanese, Somali, Turkish, Punjabi and Greek.

The survey results will be reported back to the school at the end of September.

Secondary School vaccinations in 2018

The Secondary School Vaccine Program offers free vaccines to Year 7 and 10 students. These vaccines provide protection against:

Diphtheria, tetanus and pertussis (whooping cough) – one dose for year 7 students

Human Papillomavirus (HPV) – two doses for year 7 students

Meningococcal A,C,W,Y – one dose for year 10 students

Parents/guardians of year 7 and 10 students should look out for the vaccine consent card booklet coming home from school with your child. You need to read the information, complete and return the card regardless of whether your child is being vaccinated at school.

The Latrobe City immunisation service may contact you about the Secondary School Vaccine Program. Schools are authorised to provide basic parent/guardian contact details to local councils for this purpose. Contact the school by 28 February 2018 if you do not want your contact details given to the Latrobe City immunisation service.

To learn more about the Secondary School Vaccine Program, the vaccines, the diseases they protect against, or how you can prepare your child for vaccination, go to betterhealth.vic.gov.au

Additionally, the Commonwealth government is funding vaccinations for all children under 20 years who missed scheduled vaccines. If students have missed vaccines, either in childhood or adolescence, and require catch-up vaccines, they should speak with their immunisation provider. (ie. local council or GP).

Bring Your Own Device Strategy

Bring Your Own Device (BYOD) is one strategy towards flexible learning environments that we recognise maximises learning potential. We want to give Kurnai College students the chance to use their portable technology at school as a learning tool. The device needs to be treated as the main form of resource material for our students.

TECHNICAL SPECIFICATION RECOMMENDATIONS:

Wireless	Devices supporting dual band wireless 802.11 n/ac
Battery	At least 8 hours
Screen Size	A screen size of at least 10 inches
Hard Drive	At least 128 GB SSD

Further Information and purchasing links: www.kurnaicollege.vic.edu.au/byod.html

Kurnai College recommends for our students to use the BYOD link on our Kurnai College website to assist in the decision making around device purchasing.

Below, is one example of an available option through this link. Please use the details of the below device to guide your purchase specifications.

Further information on these packages is available from the website above.

Note: You are not obligated to purchase this device or purchase from the BYOD link and the price is only current as at 31/10/2017.

Dell Latitude 3180 / 11.6 / N3350 / 4GB / 128GB / Win 10 Pro National Academic / 3YR Onsite Warranty

- 11.6-inch HD Non-Touch Display
- Intel Celeron Processor N3350
- Intel HD Graphics 505
- 4GB RAM
- 128GB M.2 2280 SSD
- Intel Dual Band Wireless-AC 7265
- Windows 10 Pro National Academic
- 3Yr Onsite Warranty Service
- Battery Carries 1 Year Warranty

\$605.88 including GST

For the best classroom compatibility, we recommend Microsoft Windows 10	

Kurnai College recommends for our students to use the BYOD link on our Kurnai College website to assist in the decision making around device purchasing.

www.kurnaicollege.vic.edu.au/byod.html

Parents wishing to use Centrelink to pay for a device

1. Complete the Centrelink Deduction Form available at the General Office.
2. Obtain a quotation for the device you have selected.
3. Hand the Centrelink Deduction Form and quotation to the Campus General Office.
4. Kurnai College will endeavor to purchase these items on your behalf as soon as possible.
5. Once the device has arrived at the school you will be contacted to collect the device from the school.
6. We will require your signature at this time as proof of pick up.
7. The charge for the device will be put on your Family Account at the College.
8. Your fortnightly Centrelink payments will be allocated to this charge on your Family Account.

For further information please feel free to contact your Campus General Office.

STATE SCHOOLS' RELIEF SCHOOL SHOES

In partnership
with **Beleza** Quality School Uniforms

State Schools' Relief is now in partnership with Beleza School Uniforms!

Our mission to support the needs of Victorian government school students has led to our collaboration with Beleza School Uniforms in the form of our new School Shoe range.

100% of shoe sales goes back to State Schools' Relief towards providing new school uniforms & footwear to students in need.

Shoes are now available for purchase throughout selected Beleza Retail Stores across Victoria.
