Message from our Acting Campus Principal - Cleo Lazaris

Uniform

It has been pleasing to see so many students wearing the appropriate uniform. At this time of year and can be easy to wear items of clothing that aren't a part of the uniform. Students who are out of uniform will be supplied with clean uniform items to be worn for the day. Parents who need assistance with uniform should contact their year level team leader.

Learning Behaviour Updates

The last Learning Behaviour Updates for the semester will be published soon through Compass. If there are any queries relating to the report please feel free to contact the relevant teacher or Team Leader via the Campus office on 51323700.

Staff Professional Development

Monday 5th November will be a student free day to allow all staff from across the College to participate in professional development. In collaboration with our Senior Education Improvement Leader, Rob Juratowitch, we will unpack the feedback from our recent review and begin to outline our College goals for the next Strategic Plan.

Cuppa and Chat with Cleo

The next catch up will be Friday, 9th November, 2018 from 9.30 –10am.

Year 10 Students Completing a VCE Sequence 2019

For many years, most Year 10 students have completed Units 1 and 2 of a VCE or VCAL (Year 11) subject, however, not all students have reached the level of maturity or skill needed to be successful.

From 2019, students will need to apply and be accepted into a VCE sequence. No student will be disadvantaged, as they will get to select from the full range of offerings in 2020.

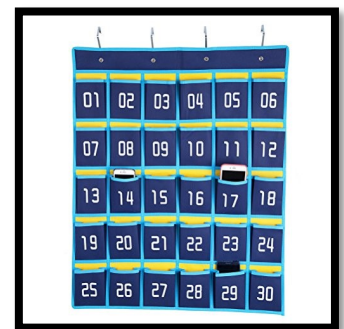

Students not completing a Year 11 subject in 2019 will select from a range of classes which will ensure academic rigour and development of skills to prepare students for 2020.

Year 9 and 10 Elective for 2019

Last week I spoke to all our current Year 8 and 9 students about students having input into the electives we will offer next year. Along with teacher expertise and availability, I want student voice to help drive our subject offerings. Students will select their electives in the coming weeks.

Mobile Phone Use

The dilemma of whether mobile phones are a distraction in class has been and will continue to be an issue facing all schools. As a Bring Your Own Device (BYOD) school, Kurnai College encourages students to have their laptops and tablets ready to use as a point of learning tool or for classwork as set out by the teacher. It is our responsibility as a community, to support young people to use devices appropriately in different settings, including school. Churchill Campus now has a phone holder in every classroom where students are asked to park their phones at the beginning of the lesson so as not to distract them from classroom learning. Students will be able to access their phones only if their teacher deems that the phone at that point in the class would assist the learning.

Homework Club

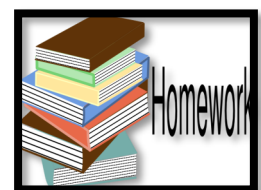

We've had a great turn out for our Homework Club on Wednesday nights. Students can get extra help with classwork, in a relaxing environment.

Year 7 News

Term 4 remains to fly by as students continue to work hard as we reach the end of another week. A reminder that next week students will have a four day weekend as staff will attend a Collegewide Professional Development day on Monday and Melbourne Cup being a public holiday on Tuesday. We hope the students will enjoy this little mid-term break.

Don't hit the snooze button!

This semester has seen a change to the timetable meaning form group only occurs once a week each Thursday. Therefore, students who arrive late are missing valuable learning time during their first period of each day. Unfortunately, we have seen a rise in late arrivals to school which is highly concerning as the accumulated time missed each day during period one is reflecting on students' ability to learn. A reminder that the morning bell rings at 8:25am with students expected to be in their first class by 8:30am.

Year 7 Team Leader

Hockey

Monday the 29th of October students participated in the Regional round for Hockey after winning the Wellington competition earlier in the year. Unfortunately a strong second half from the Kurnai girls was not enough to recover from the first half deficit they conceded against their competitors Chairo Christian School. A really great effort by all the girls from years 7 and 8 who participated in the game.

Drama play

This semester Year 7's have been honing their acting skills during their elective for Drama. You are invited to attend the year 7 Drama performance on the 13th of November beginning at 7pm for what is guaranteed to be an evening of entertainment. Students will perform original acts as written by them based on issues close to them.

Year 8 News

Year 9 Course Selection

Year 8 students have recently returned their course selection sheets for their Year 9 subjects. If your child has not already returned this selection sheet it needs to be returned as soon as possible. The course selection sheet is important as it gives students a voice in determining the type of subjects that they would like to see being offered in the elective blocks at year 9 as well giving students an opportunity to engage in curriculum that they enjoy.

Mobile Phones

Mobile phones are still an issue with some students not placing their phones in the phone holders which are located in all classrooms. Students are aware that if they bring their phone into the classroom and do not place it in the phone holder the phone will be taken by the teacher and returned at the end of the school day. The concern is that some students are arguing with teachers about when a phone should be returned. Parents and guardians could also assist us with the phone process by reminding their child of these rules as well as refraining from texting or calling students during class time. A reminder that a phone is not to be used instead of a laptop or calculator.

Russell Northe's Visit

Russell Northe visited the Year 8 students on Thursday 25th October to talk to the students as part of the Humanities curriculum which is currently focusing on Civics and Citizenship. Prior to Russell's visit the Year 8 students planned a series of questions that they were then able to put to Russell during the session.

Jamie, Ben and Stephen wrote about the event:

On Thursday 25th of October, Russell Northe came to Kurnai College. He taught the Year 8's about civics and citizenship and laws. He told us about the parliament and the government. We also asked questions about his life as well. He has played football for most of his life, so he was very sporty when he was young, now, he is a member of the parliament.

Russel Northe helped us have a deeper understanding about parliament. He told us about how the unemployment rate is rising and how the people who have lost their jobs must move to Melbourne to get employment. He also told us about how he is going to demolish the old petrol station in Churchill. It really surprised us when he told us that he got into politics because of his teacher, who got into politics. His teacher was his role-model while growing up.

Russell Northe's post on Facebook

With Year 8 students at Kurnai College in Churchill this morning and having a great conversation about civics and Government at all levels.

Very impressed with the students' knowledge and preparedness to ask questions.

And importantly the very respectful, attentive and courteous manner that they demonstrated during my visit.

Hockey

On Monday 29th of October Year 8 girls and Year 7 girls participated in the Regional round for Hockey. The girls progressed through to this round after winning the Wellington competition earlier in the year. Unfortunately, a strong second half from the Kurnai girls was not enough to recover from the first half deficit. While unfortunately not able to score themselves in the second half, they did manage to keep Chairio Christian School scoreless in the second half and had much more of the general play. A really great effort by all the girls from Years 7 and 8 who participated in the game.

A thank you to Nick Campbell and Anita Charles for being our drivers on the day and for Kelly McLauchlan for coming along and supporting the team.

Uniform Expectations

A small number of students are continuing to try and avoid wearing the school uniform. If students arrive at school, out of uniform, without a note, they will be required to change into school supplied uniform for the day. If your child is out of uniform, please provide a signed note, which explains why your child is not wearing uniform on a particular day. When students are at school or participating in school activities that take them out of the school grounds they are expected to be in full uniform. This does not include non-school uniform jackets, beanies, hoodies or tracksuit pants, however they can wear long sleeve navy or white tops (without hoods) underneath their polo tops. Students are also reminded that they are required to wear shoes that are predominately black. If you require any assistance with school uniform. Please don't hesitate to contact the school and speak to either a member of the Year 8 Team of the Wellbeing Team members.

Lindy Gumpold
Year 8 Team Leader
gumpold.galinde.g@edumail.vic.gov.au

Student Laptops

As the term progresses a small number of students are not bringing their laptops to school. Unfortunately when the students who do own a laptop do not bring their own device to school they are required to borrow one from the library. Unfortunately, at times, there will not be a suitable laptop to borrow which can mean that a student may not be able to continue with class work. Staff in the Year 8 team will continue to support those students who may be experiencing difficulties with their own device. If parents and guardians could support the school by checking that their child is taking their laptop to school that would assist with trying to develop good organisational habits.

Celebration Day

Permission forms for the Year 8 Celebration Day were distributed late last week to all Year 8 students. Celebration Day is a time when the Year 8 students are able to enjoy a visit to the cinema where they will be able to see a movie of their choice. All Year 8 students will be invited to return their permission forms, however, attendance at this event will be subject to students behaviours throughout the remainder of Term 4. On Thursday 29th November the Year 8 students will have the opportunity to watch a private screening of the movie 'Ralph breaks the Internet' before its general release to the public. They will then walk to Gippsland Immigration Park for a BBQ lunch before returning to school at 2pm for an early dismissal.

PBS Coupons

Village Cinema movie tickets have been the most popular reward that the Year 8 students are collecting with their coupons from the PBS cupboard. A reminder that the PBS coupons are given to students by staff members, when students display a behaviour from the Four Pillars – Relationships, Engagement, Excellence, or Work Ethic – for a prize from the display cupboard, which is the Wellbeing Office.

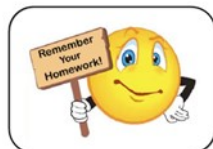

At the end of Week 4 the following are the top 5 students for Year 8.

- Jazmin Perrott Orr - 31
- Dylan Dunstall - 21
- Jack Daddo - 17
- Riley Franks - 11
- Mia Sturre - 11

A reminder to all Year 8 students that when they receive a ticket that they need to write their name on the ticket and then place it into the PBS box, which is located in the Library.

Homework Club

Homework Club is becoming a popular place for Year 8 students to come along and receive extra assistance from teachers and to complete work before they go home. With the release of the October Learning Behaviour Reports this is a great opportunity for parents and guardians to reflect on whether your child needs extra assistance to help them complete work.

Year 9 News

We are continuing to focus on three important things this term:

Uniform

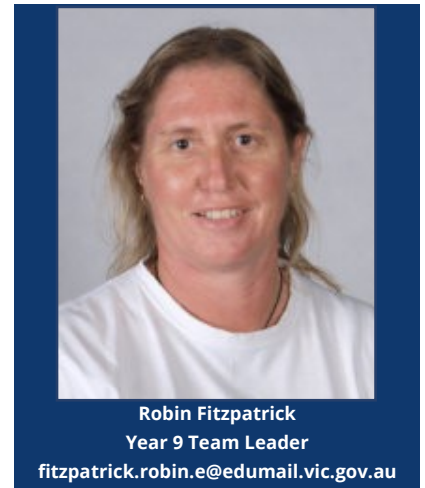

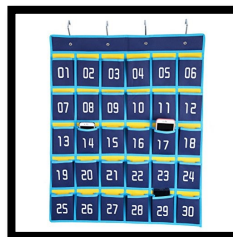

Students are expected to be in appropriate uniform every day. Black pants and non-college hoodies should not be worn to school. Students wearing inappropriate uniform will be asked to change.

Mobile Phones

Classrooms have mobile phone holders that students are expected to use to ensure that they are free from temptation and distraction.

BYOD

Students are required to bring their device to school charged and ready to use.

Peer Support Camp

Last week, 19 students began their journey as Peer Support Leaders by attending a Camp at the PGL Camp Rumburg in Foster North. Students participated in team building activities such as trust exercises and initiative courses as well as the giant swing and a mud run blind folded. The students participated in some activities that were outside their comfort zones. The team building activities encouraged students to support each other as well as accept the support of their peers.

Students also completed a theory component both nights as they began their preparation for leading the Grade 6 students' transition to Kurnai College in the upcoming weeks. Both Mary Corponi and Andrew Leeson were incredibly pleased by the efforts and enthusiasm shown by each student during the camp and the potential the group shows in creating a positive environment for the Year 7's of 2019.

Year 10 Camp 2019

Students were asked to complete an expression of interest for the opportunity to have the Year 10 camp at EITHER Central Australia OR Tasmania.

Only one of the camps will run with a minimum of 30 students from both Churchill and Morwell campus required for either trip to go ahead.

Please make sure that the expression of interest form is returned so that a decision as to which camp will be offered can be determined.

Education Pathways

All Year 9 students that are to commence a VCE subject in Year 10 2019 will attend the Kurnai College University Campus on Wednesday 14th of November for a transition session.

This will occur during Periods 3 & 4 with normal classes running for the remainder of the day.

Emergency Services Program

This week some students attended the Emergency Services program where they learnt about career pathways into the Police Force, CFA and Ambulance Victoria. The site visits gave students the opportunity to ask questions about recruitment and to gain a first-hand understanding of what the roles are really like.

ONLY 4 WEEKS LEFT AT the JUNIOR CAMPUS

A reminder that Thursday 29th November is officially the last day for our Year 10 students at the Churchill campus. This day also marks the Year 10 Formal (more details below). Despite only a few weeks remaining until Headstart, myself and the Year 10 team still have high expectations regarding behaviour and work ethic in and out of the classroom and will follow up with parents accordingly.

I also encourage you all to keep an eye out for the University Campus Newsletter as there is information about opportunities for our current Year 10 students such as:

Dental Van

Please be aware that School Dental will be visiting Churchill campus on Monday 12-Tuesday 13th November to conduct dental assessments on students who have returned consent forms. Spare dental forms can be collected from the front office.

Uniform

All Year 10 students are required to wear uniform right up until their final day. Parents must communicate with the College when the uniform cannot be worn due to unusual situations. In cases of special need or financial difficulties, parents should discuss this with the Campus Principal or Student Welfare team.

Leaving school grounds during lunchtime/ before end of school day

A reminder to parents and students that students are not allowed to leave the school grounds during the school day. If you need to collect your child before the end of the day then please come to the general office to sign them out or contact me via phone.

Mobile Phones

We continue to encourage students not to use their mobile phones for personal use during their lessons. Students will be directed to place their phones in the holders OR they are expected to leave their phone in their locker. Students will have their phones confiscated for the day if they are being used inappropriately during class time. If you need to contact your child during normal class times please contact the front office directly on 5132 3700.

Absences

We remind parents and guardians that if a student will not be attending school for the day to ring the Absent Hotline on 51 323 711. This line is open 24hrs a day and will be sent as a message to our administrative team to forward onto relevant teachers. If students will be away for an extended period of time, please ensure you let our administrative team know and they can forward the message to team leaders so work and support can be arranged for students to complete whilst at home.

Attention ALL 2019 Year 11 and 12 students

Would you like to attend the Mt Hotham Camp in 2019?

Mt Hotham is a well-known ski resort approximately 4-5 hours drive from Churchill via Omeo. The main activities undertaken on the camp will be downhill skiing and/or snowboarding.

The camp will run from Sunday 7th July to Friday 12th July, 2019. Students must be at the University Campus bus stop at 10.00am on the Sunday. We intend to return to Kurnai College (University Campus) at approximately 9.00pm on the Friday. Students will be staying at a Ski Lodge located at the top of the mountain. The total cost of the camp will be **approximately \$1650.00** which includes:

- Resort entries
- Accommodation
- All meals
- Lift
- Lessons
- Night skiing on Wednesday evening
- Ski/Snowboard Hire including carve skis, boots and poles or board and boots
- Transport to and from Mount Hotham
- Hotham hoodie jumper

Students will need to pay a deposit of \$300 if they would like to secure a position for the camp by 1/12/2018. We have organised a payment plan in an effort to give families the opportunity to finalise the full payment by 2.00pm on Friday 21st June, 2019. While we understand this is an expensive camp we strongly believe that this is the most economical way of giving students the opportunity to participate in Alpine Snow sports. All students who participate in this camp will come home exhausted and thoroughly satisfied with their experiences, bubbling with stories of the thrills and spills they encountered.

In order for this camp to proceed, we require a minimum of 20 students to attend and will cap the attendance at 25 students. In the event of us not receiving enough interest, we will have to cancel this camp and, in this instance only, your deposit will be refunded.

Students are expected to have a good behaviour history and an average or above average fitness level. Parents will be notified if their child is in danger of losing their invitation to camp due to poor behaviour at school. These decisions will be made by the Principal, in consultation with the advocate team and Camp Coordinator.

Additional information will be provided to your child as time gets closer to ensure your child is properly equipped for the camp. Their safety and comfort will depend on this. If students don't have the required equipment they may be able to borrow a snow jacket and pants or alternatively this clothing can be hired from Mt Hotham.

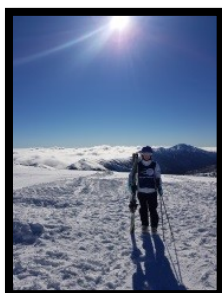

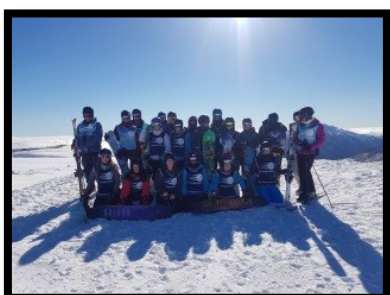

Ambulance membership is highly recommended as a trip in an ambulance from Mt Hotham can cost thousands of dollars if you are a non-member. We also recommend travel insurance for an additional cost.

If you have any further queries, please contact Mrs Candy White, the Camp Coordinator at the University Campus on 5132 3800.

The link below provides a video of students attending a camp to Mt Hotham. Please visit the below link to gain more understanding of what adventures you will get up to if you decide to attend the Mt Hotham camp in 2019.

Tuning in to Kids/Teens Emotionally Coaching Parenting

An eight-session parenting program for parents with children in the following age groups:

- Tuning In To Kids: 3 - 10 years
- Tuning In To Teens: 10 - 17 years

Would you like to learn how to:

- be better at talking with your child?
- be better at understanding your child?
- help your child learn to manage their emotions?
- help to prevent behaviour problems in your child?
- teach your child to deal with conflict?

Tuning in to Kids/Teens shows you how to help your child develop **emotional intelligence**. Children with higher emotional intelligence:

- have greater success with making and keeping friends
- have better concentration at school
- are more able to calm down when upset or angry
- tend to have fewer childhood illnesses

Emotional intelligence may be a better predictor of academic and career success than IQ!
