Message from our Acting Campus Principal - Cleo Lazaris

Health Week

Last week Churchill Campus held a Health Expo across all year levels. Students were highly engaged in the presentations by Red Frogs, CASA, the Proactive Police and the dental lessons. The week ended with a healthy lunch of rolls and wraps followed by our very successful Colour Fun Run. It was great to be a part of an activity where staff and students had fun together.

Thank you to Sarah, our school nurse for coordinating all the events.

Mobile Phone Use

The dilemma of whether mobile phones are a distraction in class has been and will continue to be an issue facing all schools. As a Bring Your Own Device (BYOD) school, Kurnai College encourages students to have their laptops and tablets ready to use as a point of learning tool or for classwork as set out by the teacher. It is our responsibility as a community, to support young people to use devices appropriately in different settings, including school. Churchill Campus now has a phone holder in every classroom where students are asked to park their phones at the beginning of the lesson so as not to distract them from classroom learning. Students will be able to access their phones only if their teacher deems that the phone at that point in the class would assist the learning.

Learning Behaviour Updates

The recent Learning Behaviour Updates are now available on Compass. I encourage you to go through the update with your child to highlight learning behaviours they need to improve in order to meet their potential. Whilst the Learning Behaviour Updates are not an indication of achievement levels, they indicate which students have the necessary attitude to their studies in order to be successful. I would like every student to strive for a Performance Average of 3.5/4.0!

Assessment Weeks

Our Common Assessment Tasks are used to gauge student achievement against the Victorian Curriculum standards. They are the final or summative assessment for a unit of work in any given subject. All Common Assessment Tasks (CATS) will be completed during weeks 8 and 9 of this term. There will be minimal disruption to classes during this time and I ask that student absences are kept to a minimum. Students who miss CATS will need to make up the time in our after school homework club on a Wednesday evening. If your child is absent please inform the Team Leader so that arrangements can be made.

Program for International Student Assessment (PISA)

Every three years PISA collects information about students and schools to monitor differences in educational outcomes over time. This year will be the seventh PISA study and is conducted in more than 80 participating countries. Undertaking PISA is important because the results indicate how well-prepared students in Australia are for learning once they leave school and it identifies areas for improvement over time by schools, education systems and governments. Kurnai College, Churchill Campus will once again be participating in the PISA study this year. Students are randomly selected and will be notified via mail. If your child is selected it is important that they attend the allocated testing day, Thursday 23rd August.

Homework Club

We've had a great turn out for our Homework Club on Wednesday nights. Student can get extra help with classwork, in a relaxing environment.

Year 7 News

What a fun week it's been with the inclusion of Health Week and the Colour Fun Run to end what was a very educative and productive week. Staff tried their best to cover as many students as they could in colourful chalk, however it seemed that yet again the teachers came off second best.

Celeste Sanderco
Year 7 Team Leader

Health Week

The students participated in Health Week throughout Week 3 of this term. Students engaged in a Proactive Policing Unit talk as well as a Dental Hygiene Seminar. The students learnt the consequences of their actions regarding the law. They discussed how to ensure they follow the law and what could happen if a person their age were to break the law. Within the Dental Hygiene Seminar, students discovered more about their teeth, how to properly brush and what can cause tooth decay. This was an engaging and informative experience, thank you to everyone involved.

Learning Behaviour Updates

Congratulations to the following students who achieved a Grade Point Average (GPA) score of 3.8 or higher:

William Bonnici	Katelin Mansfield	Alexandra Gore
Thomas Walker	Jazmine Sanders	Andrew Hunt

These students enjoyed a hot chip lunch as a reward for their hard work and consistent approach to learning. We encourage all students to review their learning behaviour reports and set goals to improve their GPA's.

Devices

A reminder that students need to bring their devices to school charged and ready to use. If students don't have a personal device please contact the school so we can make arrangements for a device to be available.

Year 8 News

Learning Behaviour Reports

The Learning Behaviour Reports for August are now available. These reports show how your child has been working in their classes over the last five weeks. These reports give parents and guardians the opportunity to have the conversation with their child about how they are working in class time. These reports do not comment on a student's academic ability, but instead the skills that are also transferrable to the work place.

This year All-Star certificates will only be awarded to those students who achieve 3.50 or higher in their Learning Behaviour report.

All-Star Award

Congratulations to the following students who achieved 3.5 or higher in their August Learning Behaviour report. The All-Star Award is to acknowledge the effort and diligence that the students are showing in their classes.

PBS Coupons

The students have been keenly earning and exchanging their PBS coupons that they receive from Kurnai staff, when they display a behaviour from the Four Pillars – Relationships, Engagement, Excellence, or Work Ethic – for a prize from the display cupboard, which is the Wellbeing Office. Each week, during Team Time, students are given the opportunity to 'cash' in their coupons. Students are also able to 'cash' in their coupons at recess or lunchtime. At present, the most popular item from the cupboard, is the chocolate.

A reminder to all Year 8 students, that when they receive a ticket, they need to write their name on the ticket and then place it into the PBS box, which is located in the Library.

At the end of week 3 the following are the top 6 students for Year 8:

Alison Heffernan - 16

Jordyn Bryce - 14

Tom Hoghton - 13

Carmela Cardillo - 12

Jasmine Croft - 11

Alexis Clark - 10

A reminder to all Year 8 students that when they receive a ticket that they need to write their name on the ticket and then place it into the PBS box, which is located in the Library.

Dental Visit

On Friday 3rd August, as part of the Health week activities, the Year 8 students were involved in a presentation about the importance of dental health. In the dental session the students learnt about why it is important to brush and floss your teeth.

August Learning Behaviour Report Celebration Lunch

The following Year 8 students, who achieved 3.8 or higher for the August Learning Behaviour Reports, will have their celebration lunch of hot chips and soft drink, on Thursday 9th August. The celebration lunch is an event which all students and staff look forward to as it provides another way of recognising the positive endeavours that individual students are undertaking to assist them with achieving great results.

Hockey

On Wednesday 25th July the Year 8 students participated in representing Kurnai College in the school Hockey competition. Both the boys' team and girls' team were successful against Sale College and will continue through to the next round of competition. The girls won 4-0 and the boys won 9-0. Well done to all who participated!!

Careers Week

On Tuesday 21st August the Year 8 students will be participating in industry visits as part of Careers Week. All students will experience a visit to the LV Express Printers and Earthworker Energy Manufacturing. This excursion will leave the Churchill campus at 10.30am and return by 2.30pm. This excursion is being provided to all students at no cost and lunch will also be provided. Permission forms will be made available to all students next week.

Student Laptops

A reminder that students are expected to have a laptop and that students need to bring their laptop to all classes. Staff in the Year 8 team have worked to determine which students have their own laptop or required access to a school laptop in the short term. Therefore all students in Year 8 currently have access to a laptop. Please encourage your child to bring their laptop to school every day.

Uniform Expectations

With the colder weather, students are still expected to be in full uniform. This does not include non-school uniform jackets, hoodies or tracksuit pants, however they can wear long sleeve navy or white tops (without hoods) underneath their polo tops. Students are also reminded that if they are required to wear shoes that are predominately black. If you child is out of uniform, please provide a note which explains why your child is not wearing uniform on a particular day. Students are also reminded that baseball hats are not to be worn to classes and will need to be kept in lockers and used only at recess and lunchtime.

Absence from school

If your child has been absent from school or will be absent from school, please contact the school on 5132 3711 and let Zoe Plumb know so that attendance records can be accurately maintained. If teachers are aware that a student will be absent, work can be arranged so that your child does not fall behind with their school work.

Homework Club

Homework Club is becoming a popular place for Year 8 students to come along and receive extra assistance from teachers and to complete work before they go home. With the release of the August Learning Behaviour Reports this is a great opportunity for parents and guardians to reflect on whether your child needs extra assistance to help them complete work.

Melbourne Discovery Camp: Tuesday 14th – Friday 17th August.

A camp meeting last week provided students with information about the camp activities and they were given a booklet that gave them a list of what they are required to bring.

Students are required to inform Ms Wall of any dietary and medical information before the end of this week to ensure that we can make the appropriate arrangements if needed.

Staff going on Camp are Mrs Fitzpatrick, Ms Wall, Mr Shields and Mr Frendo/Ms Evans.

We are looking forward to a fun and action packed week.

Students need to be at Morwell Railway station by 7.45am Tuesday 14th. **The train does not wait for anyone!!**

If you have any questions don't hesitate to contact me on 5132 3700

An alternative program will run for those students not on Camp.

PBS News

A new PBS card will be provided to all Year 9 students, for students to be able to collect credits towards a canteen voucher. Students will need to take their PBS card to all classes so that teachers can reward good behaviour by punching out a hole in the card. When a student has all twenty holes punched out they can use the card as a \$2 canteen voucher. These cards will be replacing the tokens that have been handed out in the past.

BYOD

A reminder that students are required to bring their device to school charged and ready to use. If your child does not have a personal device please contact Glen Stephenson who will be working to make arrangements for a device to be available.

Homework Club

Homework club is available for students on a Wednesday afternoon to assist with their studies.

Where: Churchill Campus Library 3 - 4.15pm

Winter Uniforms

Thank you for ensuring that your child is in uniform.

If you require any assistance with your child's school uniform, please contact the school, so that we can provide assistance.

Let's begin the countdown to how many weeks our Year 10 students have left before they fly the junior campus coup and head north to the University Campus and commence their senior studies!

With course counselling now but a blur in the Year 10 calendar, the Year 10 team (and students) have been anticipating the outcome to the VCAL interviews which were undertaken at the end of Term 2 and into Term 3.

We congratulate all our successful students. Amanda Vosper (VCAL Team Leader) came and spoke with all our future VCAL students this week and set the bar VERY high around what was expected of them in the next six months.

These expectations are no different to those students heading into fulltime VCE studies in 2019!

What's coming up and Dates to Remember

Week 6 Monday 20 Aug	Road Smart (Vic Roads) – <i>consent forms need to be signed and returned by WED 15th</i>
Week 7 Thursday 30 Aug	Kurnai College BIG DAY OUT (9am to 2.30pm @ La Trobe Leisure Centre)
Week 8 Thursday 6th Sept	STEM Sister Tech & Uni Taster Day
Week 9 Mon to Thurs	Year 10 Tasmania Trip
Week 10 Thurs- day 20 Sept	Fed Uni Outreach Program (1030am – 230pm)

A student meeting was held last week and information packs handed out to most students. Two further student meetings will take place on **Friday 24th August** and **Friday 7th September** from **1:15pm** in the Language Centre.

What we require NOW is notification of ANY food allergies or intolerances for catering purposes. Please contact Andy or myself directly on 5132 3700.

Our school is participating in ROAD SMART, a new road safety education and training program designed for Year 10 students. Road Smart involves a:

- classroom session delivered by VicRoads on Monday 20th August, and
- eLearning modules for students which will be completed in class.

Participation in Road Smart requires online registration with VicRoads. Consent forms were sent home this week. Could you please read, sign and return the form to the front office by Wednesday 15th August. Spare forms can be accessed from the Year 10 Info Desk.

Year 10 News

VCAL (PD SKILLS) Phillip Island Camp

Prior to the school holidays VCAL (PD Skills) students planned a mini getaway to Phillip Island. Planning and organising the camp enables students to meet their outcomes. Students ventured to the Nobbies, while taking in the sights of the picturesque Seal Rock. They were also bedazzled by Amazing Things and a round of mini golf. Students sampled some yummy treats from Panny's Chocolate Factory and had prime position on the beach for the infamous Fairy Penguin parade.

More recently students have started fundraising for the Year 10 formal later in the year. Students raised \$173 with their first attempt! Look out for the next fundraiser later in the term.

Leaving school grounds during lunchtime/ before end of school day

A reminder to parents and students that students are not allowed to leave the school grounds during the school day. If you need to collect your child before the end of the day then please come to the general office to sign them out or contact me via phone.

BLITZ

Week 5 BLITZ on LATE ARRIVALS to class and misuse of MOBILE PHONES

We are noticing a number of students arriving late to class – particularly Period 1 classes. A reminder that classes commence at 8.30am and any student marked late to a Period 1 class during Week 6 will be required to make that time up during a recess or lunchtime detention.

BLITZ

We also encourage students not to use their phones for personal use during their lessons. Students will be directed to place their phones in the holders OR they are expected to leave their phone in their locker. Students will have their phones confiscated for the day if not being used appropriately during class time.

Absences

We remind parents and guardians that if a student will not be attending school for the day to ring the Absent Hotline on 5132 3711. This line is open 24hrs a day and will be sent as a message to our administrative team to forward onto relevant teachers. If students will be away for an extended period of time, please ensure you let our administrative team know and they can forward the message to team leaders so work and support can be arranged for students to complete whilst at home.

Short period Homestay families required

Kurnai College will be hosting two short term Chinese Study tours during term 3 this year as part of our International Program. We are looking for families who would be interested in hosting a Chinese student/s for up to a week.

While at Kurnai, the students will participate in a mix of English Language classes located at the University Campus and immersion classes at the Junior Campuses. These classes will be followed up by organised afternoon activities within the local area.

The Homestay is to provide a welcoming, nurturing and safe environment for young students, as it will likely be the first time these students have been out of China. If possible, it may pay to consider having two students billeted with your family making it less daunting and easier for both you and the students.

Hosting an international student is very rewarding and offers a wonderful opportunity to learn about a new culture and share our Australian way of life. This would be a great opportunity to consider for our students who are currently studying Mandarin or have/will be participating in our trips to China.

Host families are paid a nominal fee of \$30.00 per night per student, which is to assist with food, accommodation and transportation as required for students that are living with them.

The *anticipated* dates for these visits are:

- 31st July – 6th August Students from Yiting & Heyetang Middle School from Hang Zhou (Yrs. 7 & 8)
- 6th August – 9th August Students from Xinhe Middle School from Hang Zhou (Yrs. 10 & 11)

If you are interested or want more information please contact Corine Noblet on (03) 51 323 800 or noblet.corine.j@edumail.vic.gov.au.

Or complete the form below and return it your General Office.

WE WANT OUR PARENTS TO TELL US WHAT THEY THINK!

Our school is conducting a survey to find out what parents think of our school. The Parent Opinion Survey is an annual survey offered by the Department of Education and Training that is conducted amongst a sample of randomly selected parents. It is designed to assist schools in gaining an understanding of parents' perceptions of school climate, student behaviours and student engagement. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

Approximately 30 per cent of parents will be invited to participate in this year's survey. Parents will be chosen randomly and will be mailed further details if selected. All responses to the survey are anonymous. This year the Parent Opinion Survey will be conducted from Monday 23rd July to Sunday 26th August.

The survey will be conducted online, only takes 10-15 minutes to complete, and can be accessed at any convenient time within the fieldwork period on desktop computers, laptops, tablets or smartphones. The online survey will be available in a range of languages other than English. These include: Arabic, Vietnamese, Mandarin, Chin (haka), Hindi, Japanese, Somali, Turkish, Punjabi and Greek.

The survey results will be reported back to the school at the end of September.

Secondary School vaccinations in 2018

The Secondary School Vaccine Program offers free vaccines to Year 7 and 10 students. These vaccines provide protection against:

Diphtheria, tetanus and pertussis (whooping cough) – one dose for year 7 students

Human Papillomavirus (HPV) – two doses for year 7 students

Meningococcal A,C,W,Y – one dose for year 10 students

Parents/guardians of year 7 and 10 students should look out for the vaccine consent card booklet coming home from school with your child. You need to read the information, complete and return the card regardless of whether your child is being vaccinated at school.

The Latrobe City immunisation service may contact you about the Secondary School Vaccine Program. Schools are authorised to provide basic parent/guardian contact details to local councils for this purpose. Contact the school by 28 February 2018 if you do not want your contact details given to the Latrobe City immunisation service.

To learn more about the Secondary School Vaccine Program, the vaccines, the diseases they protect against, or how you can prepare your child for vaccination, go to betterhealth.vic.gov.au

Additionally, the Commonwealth government is funding vaccinations for all children under 20 years who missed scheduled vaccines. If students have missed vaccines, either in childhood or adolescence, and require catch-up vaccines, they should speak with their immunisation provider. (ie. local council or GP).
