**Message from Campus Principal**

Hello Everyone,

This week Kurnai College has acknowledged the work done by the education support staff across our school. Whether they are in the classroom as aides, dealing with the public and the admin in the offices, supporting students as advocates or counsellors or assisting with course selection and providing career advice our ES staff do so much to support teachers and students. I can't begin to think how much less effective our school would be without them and thank them for all they do for students and teachers.

Last week Australia's Chief Scientist, Alan Finkel, visited the University Campus to have lunch with students from the University and Churchill Campuses selected for their passion for and knowledge of science. From the students' reports Mr. Finkel knows everything about everything and really enjoys talking about it so much that by the time lunch was over he hadn't had a chance to eat his meal! So when the students headed off to class for period 5 Mr. Finkel started eating, with one student hanging back because there were just a few more things she needed to know.

Last week we held the parent-teacher conversations for Year 12 VCE classes. The numbers of parents attending were very low with many teachers only seeing one or two parents. While I understand it was a pretty miserable evening I am curious to know why attendance was so low. Did parents receive enough warning of the event? Has previous contact with teachers made the event pointless? I'd be grateful to hear from anyone on this because if our practices are not working we need to review them. Please give me a call on 5132 3800 and let me know what you think .

*Geoff*

## ATTENTION ALL YEAR 12s

### Digital Photos Required!

As part of a special DVD presentation at the Year 12 Graduation,

One Toddler Photo is Required- Suitable Age is 3 - 6 Years

#### Details:

Photos that work best are those in which you are:

- ♦Facing the camera with your eyes open.
- ♦No Obstructions in front of your face e.g. A hand, sunglasses, toy, etc.
- ♦Avoid Photos that have other people in them.

Please ensure you Identify your photo by including your full name!

Please follow the Scanning Instructions provided at the library printer.

If you need help, someone will be available to help you Monday Lunchtimes During Term 3

#### IMPORTANT INSTRUCTIONS:

##### WHEN SCANNING:

SELECT RESOLUTION OF 300 DPI

##### WHEN SAVING:

SELECT JPEG FORMAT.

DO NOT SAVE IN ANY OTHER FORMAT

##### EMAIL TO;

[GraduationPhotos@kurnaicollege.vic.edu.au](mailto:GraduationPhotos@kurnaicollege.vic.edu.au)

## Model UN Conference

On the 6<sup>th</sup> of August, six VCE students from University Campus attended Sale College for a Model UN Conference run by United Nations Association of Australia. The conference included students from six schools across Gippsland with groups split up to represent different countries.

Kurnai College's two teams were to represent the views and political ideologies of Iceland and Mexico in regards to the issue of Global Action on Climate Change.

Danelle Van Vliet, Tabitha Stevens, Talia Cooke and Chloe Mifsud represented Iceland with vigour demanding Global Action on Climate Change due to recent melting of glaciers and highlighted the importance of renewable energy to the Iceland Government and the world. Meanwhile Zoran Winkelman and Kirsty Nemet were able to serve major powers like the USA and India to reach agreement on major issues whilst defending Mexico's decision in December to heavily invest in brown coal due to economic prosperity for its nation's people.

Whilst this was a mock process the students were able to gain an insight into diplomatic relations and heard from United Nations staff who have worked in many fields of International Diplomacy.

Kurnai College is very proud of the way these students represented the College amongst other schools in Gippsland.

## Calendar of Excursions / Camps

### All Years

| Excursion Date                   | Excursion                            | Cost  | Form & Payment Due |

## Term 3 Practice Exams

At Kurnai College we want to make sure that every student achieves their full potential so they feel prepared to leave us at the end of the year ready to take on every opportunity that is provided to them. In order to help achieve this, practice examinations will take place during the Term 3 holidays to ensure that students know what to expect for their final exams at the end of the year. All students who are completing a Unit 3 and 4 subject this year are expected to attend their practice examinations during this holiday period where they will be provided with the experience of undertaking exams in similar conditions to the V.C.A.A Exams at the end of October. Once these exams are completed students will receive detailed feedback on their results as well as areas to improve upon. This will help your child to develop a revision plan as well as provide further development of skills ready for their final exam.

# EXAMS

# Careers News

## For all VCE Year 12 Students:

### Important VTAC Deadlines – for 2020 Course Applications

#### Applications

Open – Monday 5th August at 9am.  
Close – Monday 30th September at 5pm.

#### SEAS Applications

Open - Monday 5th August at 9am.  
Close – October 11th at 5pm.

#### Scholarship Applications

Open – August 5<sup>th</sup> at 9am.  
Close – October 11<sup>th</sup> at 5pm.

#### Change of Preferences

Close – 14th December at 4pm for December 2019 offer.  
Close – 20 December 2019 at 4pm for 2020 offers.

The Careers team will be running VTAC information sessions will all Year 12 Kurnai students in the week of 19<sup>th</sup> – 23<sup>rd</sup> August. These sessions will show students how to set up their VTAC accounts and apply for scholarships and SEAS. Any questions please call Kylie or Cherie in the Careers Office on (03) 5132 3831.

VTAC course applications for 2020 are opening on Monday, so if you are in Year 12 and intending to study at a Victorian University, TAFE or independent tertiary college next year, it's time to ensure that you have started your VTAC application preparation.

All applications are made on the Victorian Tertiary Admissions Centre (VTAC) website ([www.vtac.edu.au](http://www.vtac.edu.au)) as VTAC receives, collates and forwards all student applications to institutions including special consideration (SEAS) requests, scholarship applications and any other relevant or required documentation.

Here are some tips to get started:

#### **Research!**

- Research the courses on offer in your chosen field and preferred institution(s).
- Use 'CourseSearch' on the VTAC website and VTAC App (see quick link) as the primary source of course information.

#### **Refine your list!**

- Establish your course preferences (you will do this after visiting open days too) and ensure you are aware of the selection criteria for each course that you wish to apply for, as each course and institution's entry requirements do vary i.e. interview, admission tests, audition, folio presentation, or extra form/documents that need to be completed. Note: This information can be found on each college website. Important: Take note of all relevant dates and deadlines.

#### **Register!**

Create a VTAC user account and have all your details close at hand i.e. educational history, student numbers to ensure that you complete your application accurately.

- Place your eight courses in your order of preference. You won't be able to save a draft of you application, but you will be able to change your preferences after it is completed. Remember: It is important to list your 'dream course' at the top of your preference list, as adjustment factors can affect your overall score and

you will always be offered a place in the highest course in your list for which you meet the requirements.

Important to note: You have until 30th of September for a 'timely' application where the normal application fee is \$36.00, after this date the fee increases to \$113.00.

Handy tip –

The 'How to apply' page on the VTAC website is very helpful and may answer any questions you may have. You will also find some very useful YouTube VTAC video links about applying for courses, SEAS, scholarships, the offer process and changing preferences.

A handy resource to download at your app store –

VTAC App: <https://itunes.apple.com/au/app/vtac/id1119361879?mt=8>

### CASPer Test for Teaching

The CASPer test is an online tool designed to evaluate key personal and professional characteristics of all applicants applying for courses in Medicine, Veterinary Science and Education. The test measures traits like professionalism, ethics, communication and empathy, reviewing characteristics that make for successful students and graduates.

It runs for 60-90 minutes and comprises of 12 sections. Each section contains either a video-based or word-based scenario followed by a series of 3 open-ended questions. Test takers are asked to type in their responses within a 5-minute time limit.

The CASPer Test is compulsory for students wishing to apply for degrees in teaching, so it is important to be aware of the test dates, fees and technical (computer and internet) and security requirements you will need to follow.

You will need to register for your test at least three days before your preferred test date and time to account for identity verification and payment processing timelines.

If you have any education courses on your list of preferences, please visit the CASPer website to diarise your test date and read further on test preparation: <https://takecasper.com/dates-times/>

#### Monash Information Evenings

When: Running until September.

at various locations across Victoria. Visit: <https://www.monash.edu/information-evenings>

#### Deakin Information Evenings

Learn more about Deakin's course options in dance, drama, photography and visual arts and the benefits of studying a Bachelor of Creative Arts and how this prepares you for a creative career.

Date: Thurs 19th Sep

Time: 5:30 pm – 7:00 pm

Where: Burwood Campus

Cost: Free

Register: <https://www.eventbrite.com.au/e/creative-arts-and-design-information-evening-tickets-60257504819>

## Careers News Contd..

### University of Melbourne Update

#### Murrup Barak Camp

Applications are currently open for this year's camp which will be running from August 16<sup>th</sup> - 19th. This annual Open Day Camp allows Aboriginal and Torres Strait Islander high school students in Years 11 & 12 to experience University life. The Camp is no cost to schools, students or families. Accommodation, transport to the camp and activities are all covered by Murrup Barak.

So if you identify as Aboriginal and/or Torres Strait Islander, are currently in Year 11 or 12, on an ATAR/OP pathway and are interested in going to University after High School, visit this link to find out more:

<https://murrupbarak.unimelb.edu.au/study/future-students/undergraduate-study/camps>

#### Meet Melbourne Rural Events

If you live outside Metro Melbourne, don't forget that you have the opportunity to meet UOM staff in your local area. The 'Meet Melbourne' rural events are a great opportunity for students and parents to ask any questions they may have about the courses available at the university.

With remaining sessions at Bendigo, Ballarat, Warragul and Mildura in August and September, you can find out more and register here:

<https://study.unimelb.edu.au/connect-with-us/events-for-future-students>

#### Murrup Barak Experience/Leadership Camp in August

To register visit: <https://murrupbarak.unimelb.edu.au/study/future-students/undergraduate-study/camps>

#### Swinburne Advice Nights

Swinburne have some great advice about VTAC applicationis and establishing your preferences here: <https://www.swinburne.edu.au/choose/articles/questions-about-preferences>

However you can learn more about the preference process as well as Swinburne's offerings with their advice nights coming up in September:

#### Wantirna Advice Night –

When: Tue 17th Sep

Time: 4 pm – 6 pm

To register – <https://www.swinburne.edu.au/choose/events/wantirna>

#### Hawthorn Advice Night –

When: Wed 18th Sep

Time: 4pm – 6 pm

To register –

<https://www.swinburne.edu.au/choose/events/hawthorn>

#### Aviation Advice Night –

Wed 18th Sep

6 pm – 8 pm

To register –

<https://www.swinburne.edu.au/choose/events/aviation>

### Career Focus – (Medicine) Surgeon

There are many areas of Medicine that you can undertake your training and work in, for example; Paramedicine, Pathology, Medical Practitioner, Ophthalmology, Pediatrician, Anesthetist and the list goes on! Training usually starts with an undergraduate degree in Medicine or Biomedicine and then post graduate study follows in a specialist area.

One specialist area in medicine is to become a Surgeon. Surgeons treat diseases, injuries and deformities by using a range of different methods and instruments, and may specialise in a particular field, such as cardiovascular or plastic surgery. Surgeons:

- Operate on patients to repair injuries, fix deformities, treat disease and improve function.
- Examine patients to determine medical state and surgical risk.
- Prescribe pre-operative and post-operative treatments to patients including sedatives and antibiotics.
- Analyse patient medical history, allergies and examination results to decide the best courses of action.
- Refer patients to other medical specialists and exchange relevant medical details.

Surgeons can work in private practice alone or with fellow medical practitioners, in a group practice, in community health centres or at a (public or private) hospital. They work in cities, suburbs and rural towns. There are a number of specialisations of surgery:

- Brain Surgeon
- Cardiovascular Surgeon
- Orthopedic Surgeon
- Plastic Surgeon

The important personal requirements to be a surgeon are:

- Good communication skills
- Ability to exercise high ethical standards
- Compassionate towards others
- High level of motivation and self-discipline
- Excellent hand-eye coordination

To gain entry into undergraduate courses in medicine, you usually need to gain your VCE with particularly good results. Prerequisite subjects, or assumed knowledge in one or more of English, mathematics, biology, chemistry and physics are normally required. Some universities offer medicine as a double degree and may have different prerequisites and some have flexible entry requirements.

Training also involves experience in approved hospitals and the passing of examinations leading to membership of the appropriate professional college. Specialist training programs and examinations are administered by the colleges. Entry into these courses is highly competitive and based on a combination of academic achievement, performance on the University Clinical Aptitude Test (UCAT) and a structured interview. The UCAT is a two-hour computer-based test which assesses a range of mental abilities identified by Universities as important to practicing in the fields of medicine, dentistry and clinical sciences.

Entry into the graduate-entry courses is based on prior completion of a bachelor degree, performance in the Graduate Australian Medical School Admissions Test (GAMSAT) and a score resulting in a semi-structured interview. Studies in behavioral, social, biological and physical sciences and humanities are likely to enhance performance in the test, and are offered at most universities.

Following course completion, graduates must undertake one year of full-time employment (internship) at a recognised teaching hospital to be able to gain full registration as a surgeon with the Medical Board of Australia. Prior to commencing clinical placements, students will be required to undergo a National Police Check and a Working with Children Check and provide evidence of immunisations. It is a legal requirement that graduates to be registered with the Medical

*'We value and respect each other'*

### Engagement

*'We actively participate in our own learning'*

## What is Latrobe Streetgames?

Latrobe Streetgames is about young people! Getting out, having fun with your mates, and getting active. Plus all the other perks, like free food and merch! We run:

- **Weeklies** - choose your own games, social sports sessions
- **Social sessions** - like table tennis, soccer, boxing & yoga
- **Lunchtime leagues** - social sports competition series or you can choose your own side game to play
- **Action sports events** - demos, clinics and skate park comps
- **Skate Club** - skate and scoot coaching sessions, visit our Facebook event for bookings (see Facebook details below)
- **Community pop-ups** - at local events and around the community

We are led by and for young people in the Latrobe Valley with a crew of over 30 passionate staff and volunteers. Check out our website, facebook, or instagram for more information.

We can't wait to see you at one of our events!
