Message from Campus Principals

Hello Everyone

Last Sunday, at the war memorial in Morwell, a Remembrance Day service was held to recognise all Australian and New Zealand service men and women. This Remembrance Day marked 100 years since the Armistice to end World War I on 11th November, 1918. Wreaths were laid by various community members and representatives for all local schools. Our thanks to our school vice-captains, Ally McGown and Hussein Eliaser, for representing Kurnai College.

VCE exams are well underway and will finish, for Kurnai students, on Thursday next week. To this point we have seen a stream of slightly apprehensive students heading into the exam rooms, balanced by happy and relieved students coming out of the door at the end of the exam. Thanks to all the teachers who have been supporting students before their exams. We look forward to seeing all our graduating students at next Friday's Graduation Ball.

Year 11 exams will begin on 22nd November. Now is the time for all year 11 V.C.E students to really get stuck into revision every day to give themselves the best chance for success in their exams starting next week. We wish them well.

Totem Poles

On Tuesday 13th November, members of Kurnai College gathered to celebrate the unveiling of a series of Totem Poles created by local primary and high schools in Morwell and Churchill. The totem poles told the Gunai Kurnai story of the Southern Cross and Nerran the Moon by Lynette Solomon-Dent. Indigenous and Art students of all three of Kurnai College Campuses shared and celebrated their totem poles which together, create one of the Gunai Kurnai creation stories. Thank you to The Smith Family for inviting Kurnai College to participate in this exciting display. The Totem Poles can be seen around Lake Hyland, in Mathison Park, Churchill.

Attention ALL 2019 Year 11 and 12 students,

Would you like to attend the Mt Hotham Camp in 2019?

Mt Hotham is a well-known ski resort approximately 4-5 hours drive from Churchill via Omeo. The main activities undertaken on the camp will be downhill skiing and/or snowboarding.

The camp will run from Sunday 7th July to Friday 12th July. Students must be at the University Campus bus stop at 10.00am on the Sunday. We intend to return to Kurnai College (University Campus) at approximately 9.00pm on the Friday. Students will be staying at a Ski Lodge located at the top of the mountain. The total cost of the camp will be **approximately \$1650.00** which includes:

- Resort entries
- Accommodation
- All meals
- Lift
- Lessons
- Night skiing on Wednesday evening
- Ski/Snowboard Hire including carve skis, boots and poles or board and boots
- Transport to and from Mount Hotham
- Hotham hoodie jumper

Students will need to pay a deposit of \$300 if they would like to secure a position for the camp by 1/12/2018. We have organised a payment plan in an effort to give families the opportunity to finalise the full payment by 2.00pm on Friday 21st June 2019. While we understand this is an expensive camp we strongly believe that this is the most economical way of giving students the opportunity to participate in Alpine Snow sports. All students who participate in this camp will come home exhausted and thoroughly satisfied with their experiences, bubbling with stories of the thrills and spills they encountered.

In order for this camp to proceed we require a minimum of 20 students to attend and will cap the attendance at 25 students. In the event of us not receiving enough interest, we will have to cancel this camp and, in this instance only, your deposit will be refunded.

Students are expected to have a good behaviour history and an average or above average fitness level. Parents will be notified if their child is in danger of losing their invitation to camp due to poor behaviour at school. These decisions will be made by the Principal, in consultation with the advocate team and Camp Coordinator.

Additional information will be provided to your child as time gets closer to ensure your child is properly equipped for the camp. Their safety and comfort will depend on this. If students don't have the required equipment they may be able to borrow a snow jacket and pants or alternatively this clothing can be hired from Mt Hotham.

Ambulance membership is highly recommended as a trip in an ambulance from Mt Hotham can cost thousands of dollars if you are a non-member. We also recommend travel insurance for an additional cost.

If you have any further queries, please contact Mrs Candy White, the Camp Coordinator at the University Campus on 5132 3800.

Body Worlds Vital

On Tuesday the 13th of November, 51 students from Biology, Psychology, Health and P.E Year 11 classes attended the Gunther Von Hagen's Body Worlds Exhibition at the Melbourne Showgrounds. The exhibition celebrated the human form and students were able to see first-hand the detail and precision of the human body.

The exhibition also focused on the frailty of the human body in regards to diet, smoking and old age. It was a revelation for all who attended.

A great excursion to finish off the year for students.

Congratulations to our Positive Behaviour Support Recipients
