## Message from Campus Principal

Hello Everyone,

Thursday next week is the Celebration Day for our Year 12 students, their last day of attendance as a group this year. VCAL students and VCE students not sitting exams have been working towards setting up their life after school. With the support of their teachers and the careers team they have been updating resumes and job applications, meeting with career counsellors from TAFE Gippsland about courses that might be relevant for them and taking part in mock interviews with local employers to receive feedback on their application paperwork and interview skills. Thanks to all the Kurnai staff and the employers who have been involved in this.

VCE exams start on Wednesday 30<sup>th</sup> October. I could wish our students good luck but we all know that luck has very little to do with it. Hard work and using the supports that have been available to them all year will be much more useful.

I would like to thank all of our Year 12s for their involvement with Kurnai College and wish them well for whatever pathway they decide to follow. Remember too that they are always part of our Kurnai community. If there is any time in the future that you need our help don't hesitate to ask.

## Business Management Marketing Excursion

Year 11 Business Management students visited Traralgon on Thursday 5<sup>th</sup> September to examine some practical examples of the theory taught in Unit 2, Area of Study 1 'Marketing a Business.'

Students spoke with local business owner Kirstin Quail, who has recently opened The Source Bulk Foods Traralgon, a bulk foods franchise on Franklin Street near the Post Office. The Source promotes 'zero waste shopping', in that customers can purchase the exact amount of product required, to avoid throwing out unwanted food. Customers can also bring their own jars and containers from home (brown paper bags are available as well), in order to reduce packaging.

Students interviewed Kirsten about her motivations for starting her business, how her franchise agreement worked, and some of the marketing strategies used, such as her Facebook page, free food samples, and the display of product. Students were treated to some dried mango, freeze-dried chocolate covered strawberries and apricot logs.

After visiting The Source, students organized into teams to compete in a marketing scavenger hunt, which required students to locate examples of particular types of businesses, marketing strategies and advertisements. Congratulations to Ben Adetifa, Bethany Blakely, Caine Conte and Jeremy Courtis, whose team scored the most points.

I would like to acknowledge all students who attended for their interest and engagement in local business, and for their respectful behavior.

## Sponsorship

On Friday the 1<sup>st</sup> of November the Year 10 VCAL students are running a Human Powered Vehicle Lapathon to help raise funds to support students from Kurnai College, who are participating in an expedition to Borneo in projects.

The core objective of this expedition will involve students undertaking projects to raise the educational standards of developing communities as well as assisting in raising the living standards for developing communities within rural district of Borneo. Not only will this program assist raise educational and living standards it will also promote the preservation and biodiversity to protect vulnerable habitats in the Borneo wildlife environment.

This expedition is extremely important to students of Kurnai College and we would really appreciate your help by simply sponsoring one of the riders or just a donation towards our ride.

To get involved you can come down and watch us race and can make a donation on the 1<sup>st</sup> of November at Churchill Football Oval 85 Switchback Rd, Churchill, or feel free to make a donation at Kurnai College University office.

## Gippsland Athletics

Thursday 19th September brought with it fantastic weather and the promise of two weeks holidays for the students.

But before they could celebrate the end of term, a small but talented group of Kurnai students competed against the best student athletes this side of Melbourne's metropolitan areas, at the Gippsland Track and Field Carnival at Joe Carmody Reserve Newborough.

Of the 8 students who attended, we brought home nine podium finishes which is an amazing effort considering the size of a number of other schools teams in attendance.

Claire Irving (1500m), Alma Doherty (100m), and Hayden Weir (High Jump) have each qualified for the Victorian State Championships to be held at Albert Park Melbourne on Friday 18th October. We wish them all the best and congratulate all athletes who have represented Kurnai College this year across a variety of events.

## It's Not OK To Be Away

With Term 4 now well under way It's more important than ever to attend every single class every single day to make the most of the education provided. It's now that time of the year when everything needs to come together for the best results to be realized by every student. This is not a time to take the foot off the pedal; if anything it's a time to accelerate in all areas and none more so than attending 100% of the time.

Awards were recently given out at Morwell Campus for students most improved results. It came as no surprise to note that there was a very close correlation between those who improved the most and those students with attendance above 90%. The link between attending all the time and learning is very clear and very strong. Please encourage your student to attend every day to get the best out of their education right up until the last day of the year.

## Morwell Township Bus Network - Upgrade/Changes

### Morwell Campus Students

Kurnai College has been working with Latrobe Valley Bus Lines and Public Transport Victoria to enable students at Morwell Campus improved transport options to get to and from school. We have now been able to arrange a bus that will pick up students that live in the area from McDonald Street to McMillan Street and over to Donald Street, Churchill Road area and drop them off at Morwell Campus on the Morwell 4 Bus. These students in the past have not had the opportunity of getting to school by bus.

Morwell Campus students wishing to use this service will be required to have a MYKI to access this bus as it is not a free bus unless you live over 4.8km from Morwell Campus. The cost each way is \$1.20.

### Morwell 4 – Green Bus Changes

The extension of the service known as MOR04 or Green Bus will now accommodate Morwell Campus students getting to and from school.
