## Message from Campus Principals

Hello Everyone.

Thursday 25<sup>th</sup> October, is the Celebration Day for Year 12 students, the last day of organised meetings and events before the VCE exams begin on Wednesday, 31<sup>st</sup> October.

After the Year 12s finish their cooked breakfast there will be an assembly to discuss the day and talk to The Red Frogs about safe behaviours for those participating in the various schoolies events that occur in November/December. Then down to the golf driving range at the University for all of the normal activities that happen when Year 12s are on their last day at school; water slides, jumping castles and various other activities to help them let off some of steam and have a bit of fun before the harsh realities of exams and work and university and TAFE and apprenticeships begin to bite.

Lunchtime and back to the main courtyard for our Stressless Lunch which will give the Year 12s a chance to say goodbye and everyone else the opportunity to wish them well. We hope that their time at Kurnai College has been productive, rewarding and enjoyable. We wish them all the best for their futures, whatever they may be and hope they keep in touch occasionally in the years ahead. Our thanks to the class of 2018.

We'll have some photos of the celebrations and creative costumes we expect many of the students will be wearing in the next newsletter.

## Year 12 Preparatory Camp 2018

An exciting opportunity is available for our 2019 Year 12s. On, Wednesday the 28<sup>th</sup> of November to Friday the 30<sup>th</sup> of November, 2018 a Year 12 Preparatory Camp will be held at Ormond College, University of Melbourne.

This camp will focus on students participating in a combination of activities throughout Wednesday, Thursday and Friday, including developing skills in the areas of leadership, resilience, time management and study skills, as well as reflecting on their own values, strengths and weaknesses in the hope of them identifying potential career prospects and pathways for achieving this. The students will also be exposed to inspiring motivational speakers that we hope will spark enthusiasm, aspiration and curiosity in the minds of our students and our future college leaders.

All meals (breakfasts, lunches and dinners) will be supplied to students for the duration of this camp, however students are welcome to bring money to purchase snacks and drinks if the opportunity arises.

There are still a limited number of places available for the camp, so please ensure you hand in your permission notice and the small charge of \$20 to register your place.

## Surfing Awareness - Part 1

On Wednesday 10<sup>th</sup> October, 12 of the bravest Year 11 Sport and Rec students, Candy White and Bernie McLeod ventured to Inverloch for a two hour surf session with Offshore Surf School.

After a brief surf safety and awareness session, and despite a few suffering from 'cold feet' as we were greeted with lashing winds and wild surf upon walking onto the beach, all students and staff thought warm thoughts and entered the depths, leaving the sand which was whipping along the beach behind.

The surf conditions made Taylor Swifts 'Treacherous' seem more like a love story, but that did nothing to dampen the efforts of all, with each surfer catching at least a few good waves in between wipeouts and drinking more than our fair share of salt water. The students did not complain once, and all had to be called in from the water at the end of our session, with no motivation lost despite the surging waves and current dragging us along the beach.

Well done to all students involved, as we look forward to more favourable conditions on the 24<sup>th</sup>. Stay tuned!

# Attention ALL 2019 Year 11 and 12 students,

## Would you like to attend the Mt Hotham Camp in 2019?

Mt Hotham is a well-known ski resort approximately 4-5 hours drive from Churchill via Omeo. The main activities undertaken on the camp will be downhill skiing and/or snowboarding.

The camp will run from Sunday 7<sup>th</sup> July to Friday 12<sup>th</sup> July. Students must be at the University Campus bus stop at 10.00am on the Sunday. We intend to return to Kurnai College (University Campus) at approximately 9.00pm on the Friday. Students will be staying at a Ski Lodge located at the top of the mountain. The total cost of the camp will be **approximately \$1650.00** which includes:

- Resort entries
- Accommodation
- All meals
- Lift
- Lessons
- Night skiing on Wednesday evening
- Ski/Snowboard Hire including carve skis, boots and poles or board and boots
- Transport to and from Mount Hotham
- Hotham hoodie jumper

Students will need to pay a deposit of \$300 if they would like to secure a position for the camp by 1/12/2018. We have organised a payment plan in an effort to give families the opportunity to finalise the full payment by 2.00pm on Friday 21<sup>st</sup> July 2019. While we understand this is an expensive camp we strongly believe that this is the most economical way of giving students the opportunity to participate in Alpine Snow sports. All students who participate in this camp will come home exhausted and thoroughly satisfied with their experiences, bubbling with stories of the thrills and spills they encountered.

In order for this camp to proceed we require a minimum of 20 students to attend and will cap the attendance at 25 students. In the event of us not receiving enough interest, we will have to cancel this camp and, in this instance only, your deposit will be refunded.

Students are expected to have a good behaviour history and an average or above average fitness level. Parents will be notified if their child is in danger of losing their invitation to camp due to poor behaviour at school. These decisions will be made by the Principal, in consultation with the advocate team and Camp Coordinator.

Additional information will be provided to your child as time gets closer to ensure your child is properly equipped for the camp. Their safety and comfort will depend on this. If students don't have the required equipment they may be able to borrow a snow jacket and pants or alternatively this clothing can be hired from Mt Hotham.

Ambulance membership is highly recommended as a trip in an ambulance from Mt Hotham can cost thousands of dollars if you are a non-member. We also recommend travel insurance for an additional cost.

If you have any further queries, please contact Mrs Candy White, the Camp Coordinator at the University Campus on 5132 3800.

The link below provides a video of students attending a camp to Mt Hotham. Please visit the below link to gain more understanding of what adventures you will get up to if you decide to attend the Mt Hotham camp in 2019.

Candy White

### UCAT Replacing UMAT for Medicine Students

**Important Update:** Students interested in studying Medicine, Dentistry and some other Clinical Science courses at a member university of the UMAT Consortium, will now need to sit the UCAT (University Clinical Aptitude Test) as part of their admissions process instead of the UMAT (Undergraduate Medical and Health Sciences Admission Test).

UCAT has now replaced UMAT for 2019 applications university entry in 2020. However, for those students who have already sat the UMAT in July this year nothing has changed regarding your application for the 2019 medical entry courses.

To read more on the test visit: <https://www.nie.edu.au/about-ucat/what-is-ucat>
